We, the Arc Light Staff of 1961, have tried to capture the highlights of the 1960-61 school year at P. H. S. Before we launch into our account, we venture a few words of explanation about the book and its features.

Instead of the usual section of advertising at the end of the book, we have placed the names of our advertisers at the bottoms of pages throughout the Arc Light. Two complete pages of advertisements are included at the request of a few firms which prefer the old method of presentation. This change has given the Staff thirty pages more to use for pictures and copy about the school year.

As you follow our typical -- and, thank goodness, sometimes not-so-typical!-- characters through the wilds of thirty-six weeks at Palestine High school, we hope that, forgiving unintentional errors, you will enjoy again all the sometimes ridiculous, sometimes trying, always memorable moments of P. H. S., 1961.

The Arc Light Staff of 1961 proudly dedicates its efforts for the year to Mr. M. D. Stewart, principal of Palestine High School.

During the last few weeks of school, the student body was shocked and saddened to learn that Mr. Stewart would be forced to leave for medical reasons, and to resign his post as principal. Although they later heard the announcement that he would return as Latin teacher, giving up the post which he had held for thirty years because he could not expect to be back in time to begin the registration work which takes place in the summer, the students were still sorry that he would no longer guide the school through its year.

As thanks for the many years in which he served P. H. S. as principal, and in hopes that he will realize the love and respect held for him by his students, whether he works as principal or teacher, we of the 1961 Arc Light salute Mr. M. D. Stewart by dedicating the 1961 annual to him.

Love has been a lot of fun this summer & I hope we can be together next years.

Lots of luck

MEMBERS DIRECT

SCHOOL BOARD

The seven members of the school board, elected by the citizens they represent, direct all phases of the program of the Palestine Independent School District. Finances, instructional curricula, and choice of teachers are among their many tasks. Their efficient performance in carrying out their job prompts the Arc Light to say, on behalf of all the people these men have served so well, that everyone appreciates their selfless service to Palestine.

ENGLISH

Visiting college students warn us: "Freshman English is the worst! Study hard and be prepared." Prospective employers say: "You'll get nowhere if you can't communicate." The teacher in the English Department do their best to get us ready for college and jobs. Themes, spelling lists, grammar tests all are aimed at perfecting our oral and written communication. All the student has to do is try--college English and business letters can come easily after four years of P. H. S. English study.

IN FOR A LANGUAGE,

OUT WITH A LOT

LANGUAGES

Improve your English vocabulary; be fluent on foreign visits; become cultured, worldly -- take a language! The P. H. S. Language Department offers two fine languages to high school students: Latin and Spanish.

Latin, base of so many tongues, is a popular subject among scholarly types; Spanish is handy for every Texan who spends any time "South of the Border." An enterprising few take both, thereby insuring a command of English and Spanish, knowledge of many cultural customs, and acceptance by certain colleges which require four years of language for entrance.

FINE ARTS

No one's education is complete without some training in certain arts more cultural than the more bookish subjects. Among these are speech, choral music, and instrumental music. Mrs. Link with her classes in speaking, Mr. Moseley with singing, and Mr. Wallace and Mr. Moore with band teach P. H. S. students poise and self-control as well as the intricacies of their respective arts, and pupils also learn the history of each subject along with the technique of it.

Mr. Moore gives a little help in technique class.

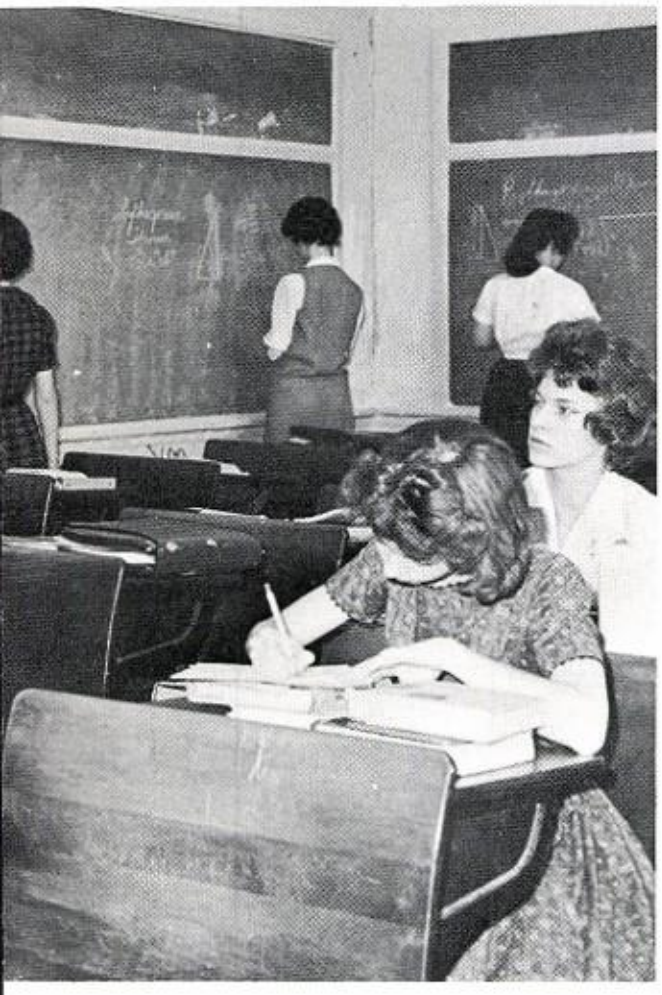
MATH TRAINING TEACHES LOGIC



First year algebra students practice Pythagoras.

MATHEMATICS

Skill in calculation is not the only art learned in P. H. S. mathematics classes. Although speed in arithmetic is important, calculators have made obsolete many of the more tedious facets of math. More important now is ability to reason -- to use the basic rules of math to reach new heights in technology. Even students who will never use any but the most mechanical mathematics in business and housekeeping can benefit from training in clear thought.

Not only do the homemaking students study sewing, cooking, nursing, and housekeeping, but also they make decorations and refreshments for dances, teas, and presentations of all kinds. Homemaking, one of the most basic "vocational" subjects, serves the entire school.

SCIENCES INTRIGUE STUDENTS

SCIENCES

Chemistry, biology, and general science give pupils insight into the mechanisms of the world and its inhabitants, both human and animal. Every student at P.H.S. finds that, if he gives them a little time, the sciences are among the most intriguing subjects.

PHYSICAL EDUCATION

P. E. -- Miss Hurley, Mr. Thornton, and Mr. Yeager teach that recreational, physically educational subject to almost every student at Palestine High School. Games of all types, from dominoes to volleyball, are played throughout the school year in P. E. classes.

Those students who get little exercise outside school find that physical education not only keeps them in shape, it relaxes muscles knotted by inactivity.

Physical education serves to take students' minds off worries and academic problems -- it teaches coordination and cooperation -- it keeps healthy those who would get no exercise without it.

Roy B. Wallace

The Arc Light Staff of 1961 is proud to salute Mr. Roy B. Wallace.

For nineteen years, Mr. Wallace has directed the Palestine High School band. In that time, he has built one of the finest high school bands in Texas. Band members will tell anyone that he is a hard taskmaster and is satisfied with nothing short of perfection. They also will state that Mr. Wallace is "the best"--that all the hard work they do for him produces remarkable results.

Mr. Wallace took a leave of absence early this year for reasons of health. We hope that he will be able to return next year. In any case, we take this opportunity to thank him for his faithful service to us and to the band.

CUSTODIANS KEEP US COMFORTABLE

Of the three custodians who have served us so well, only "Cowboy" will be back next year. Mr. Nix announced at the end of the year that, for reasons of health, he would retire.

Rosalie swept her last hall on Wednesday, May 24--the next-to-the-last day of school. Her death that night left a sober and sorrowful student body; all of us miss her friendly, respectful help, P. H. S. will never be the same without Rosie.

Oliver "Cowboy" Nix

"Cowboy," "Rosie," and "Mr. Nix" are a familiar and well-loved trio at P. H. S. Their work of caring for P. H. S. facilities keeps both students and faculty comfortable, and makes learning and teaching easier and more efficient.

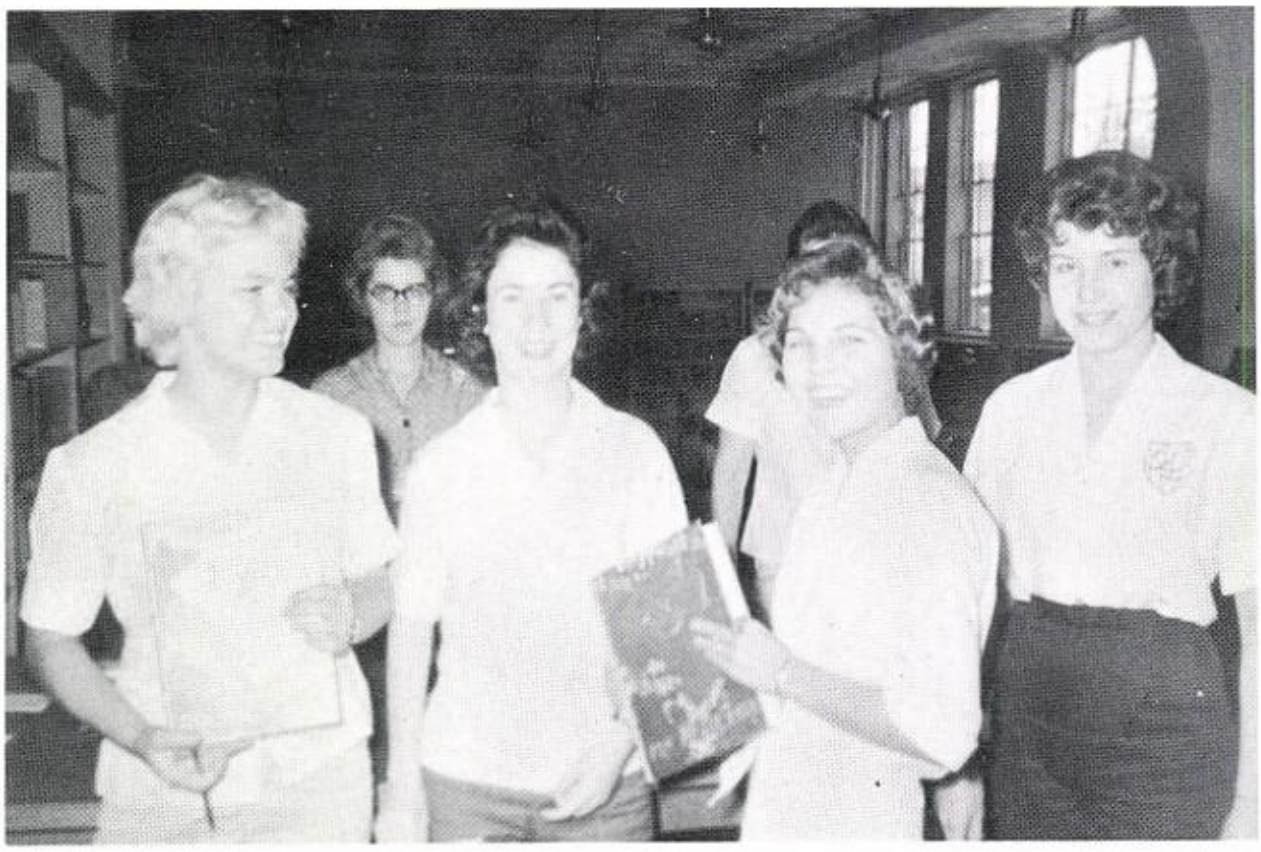
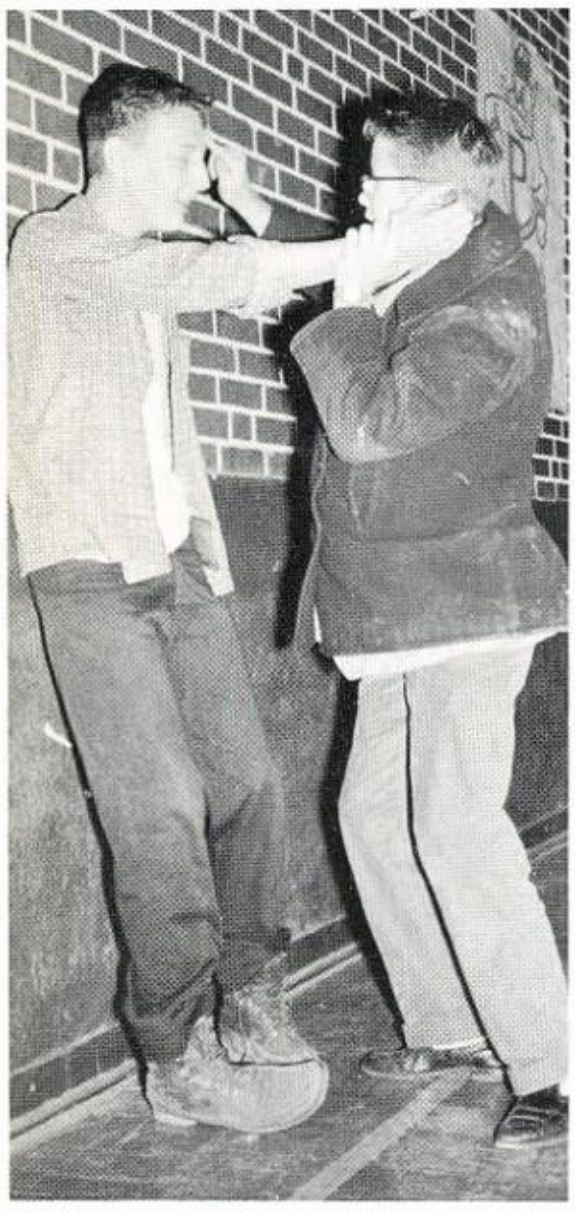
ABOUT THE CAMPUS

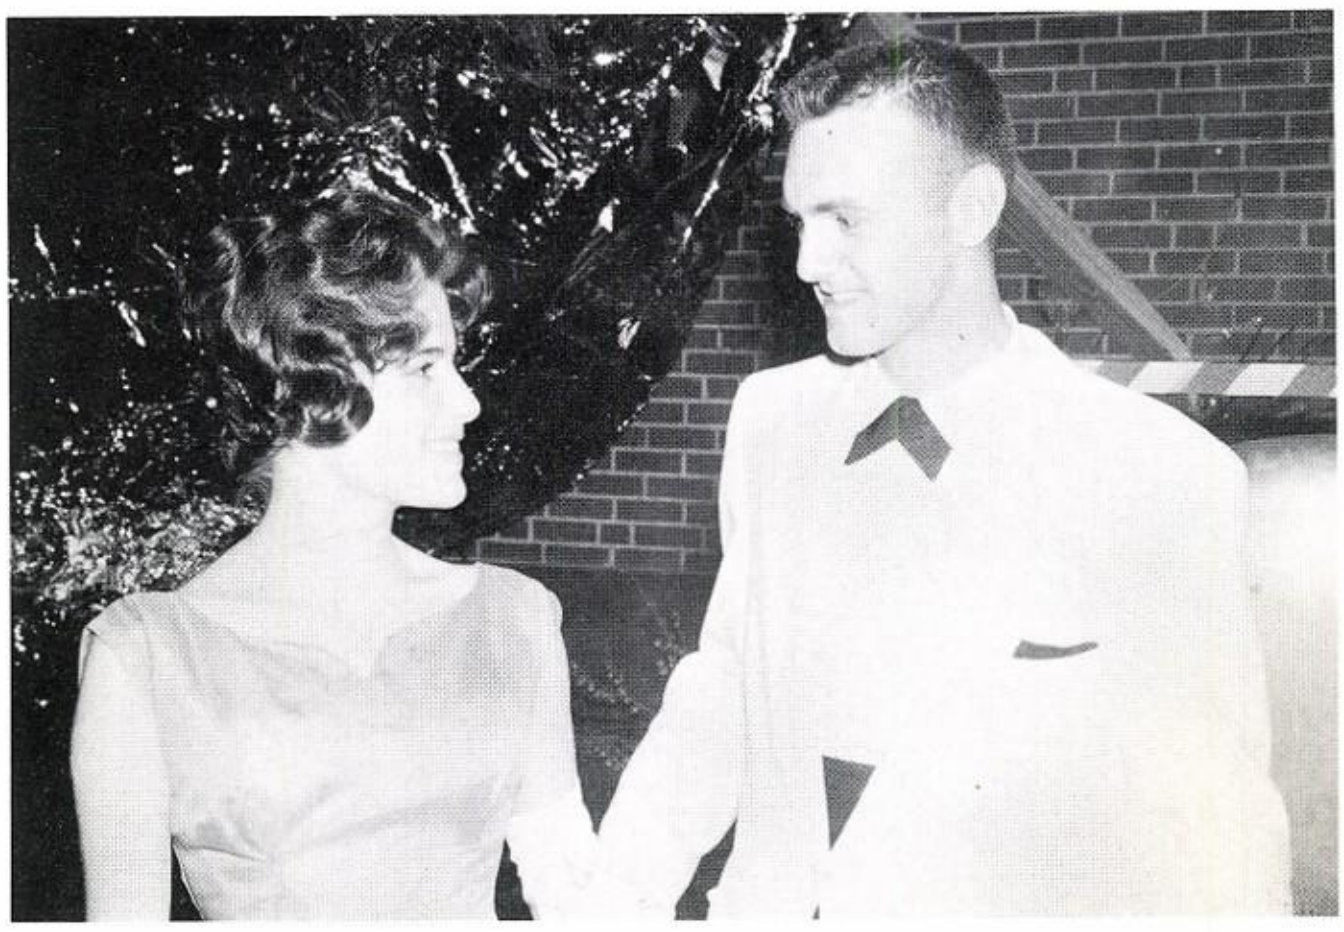
"ABOUT THE P. H. S. CAMPUS THIS YEAR WE FOUND"---



DELIGHTED! It seems as if these Junior girls, May Bradley, Pat Rogers, Gloria Reynolds, and "Inka" Buckley, are always ready to have a picture made.



"DUH, I TOLD YOU NOT TO BOTHER ME," says "Da-Da" Knowles as he prepares to Smush "Greenes" for the offense.



BLISS, PURE BLISS! Imagine this! These two SENIORS actually seem to be having a good time at the lowly underclassman's JUNIOR PROM.

B&B SPORTING GOODS

ABOUT THE CAMPUS - - -

"HOPE, FAITH, AND CHARITY"--Student Council members take stock of the food and clothing which was collected to be given to the Christmas Cheer Program for the needy.

GET A LOAD OF HONEY BUN! Talented Nancy Herrin entertains at a Student Council Dance with rendition of "Honey Bun."

DEFINITION

SELF-CONTROL:
Mind over madder

"Yes, hun, you look adorable!" says Carol Clark to Terry Hendley, as he spruces up for his school picture.

CLOSE CALL! What do students who are trapped in a Chemistry Lab think about? Who knows? But Phil Jenkins and Mrs. Gilliam seem pretty glad that this man got the door out. What do you think?

ABOUT THE CAMPUS - - -

BAND GOES RAUNCHY! If you were at the Pep-Ette's Talent Show, you would have really been in for a surprise. Some "way-out" members of the band really showed their stuff. And something else, too! They were just good! Don't ever let anyone tell you that our band isn't "hep."

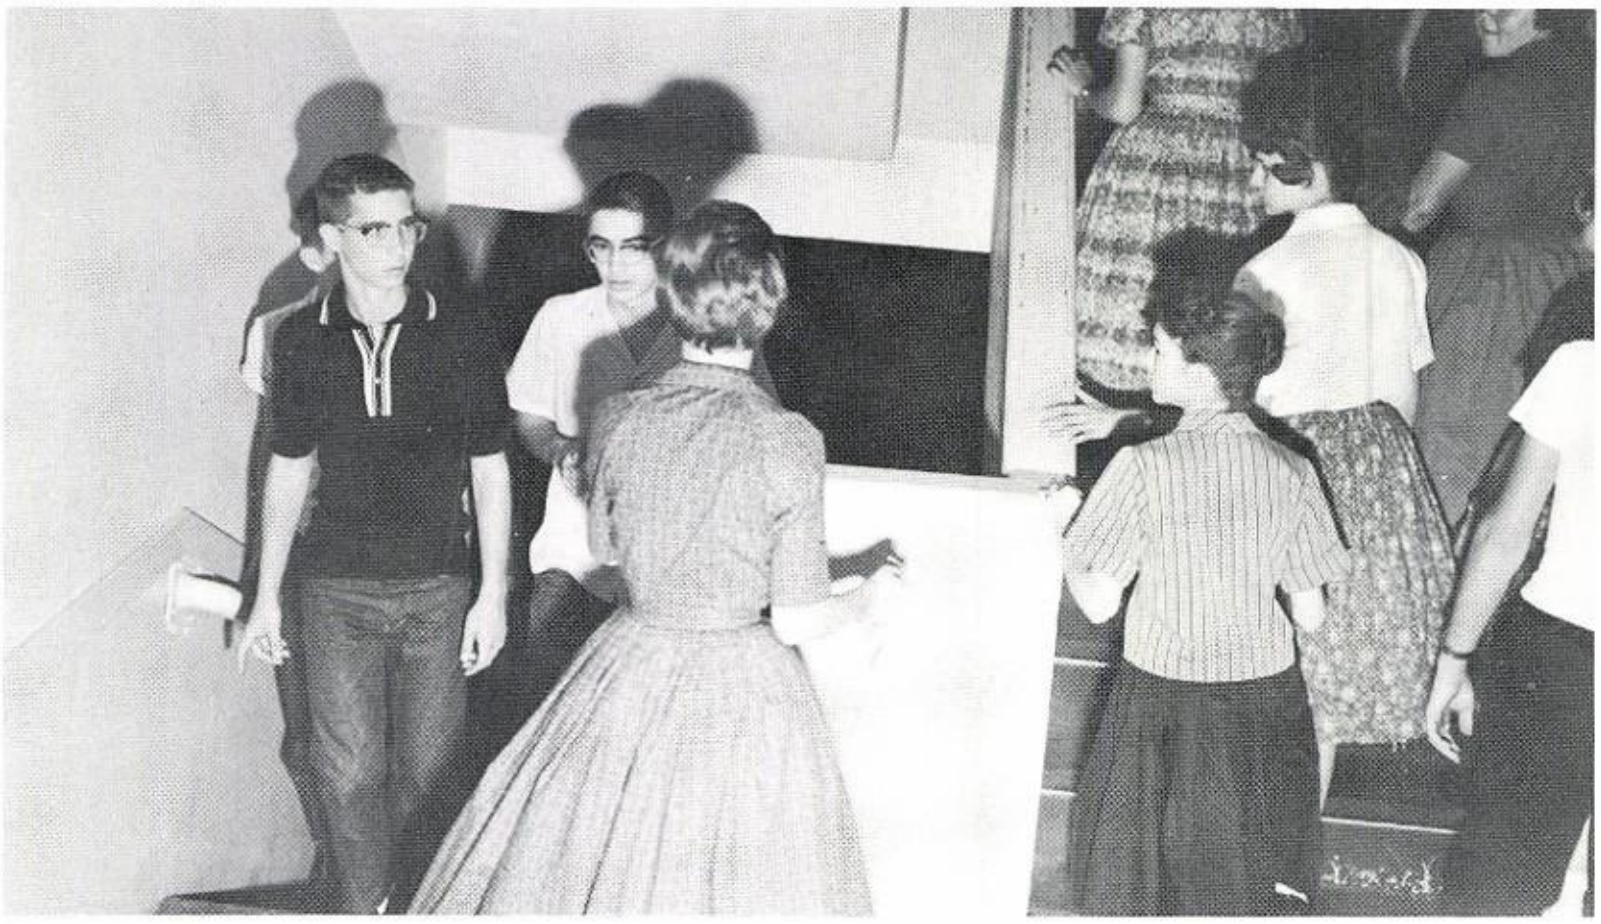
"JOHNNY YUMA---WAS A REBEL!" As these senior boys found out at the Student Council Dance. They just should not have pressed their luck. Poor devils didn't even get a chance!

EXCUSE US! The wandering eye of the Campus Camera is always looking for new, fresh pictures and this time it found one. The rehearsal of "Summer Visitor" is coming along fine.

HECK'S DRIVE-IN

ABOUT THE CAMPUS - - -

WHO DONE IT? People seem to think that, whatever was done, Drew Frantzen "done it." He appears awfully fed up with being accused so wrongly or maybe we should say "so rightly!"



SHE SHOULD BE PROUD! Susan Hardgraves looks mighty proud, as Mrs. Harold Dietz presents her with the American Legion Auxiliary Citizenship Award. This award was one of the many given at the Awards Assembly.

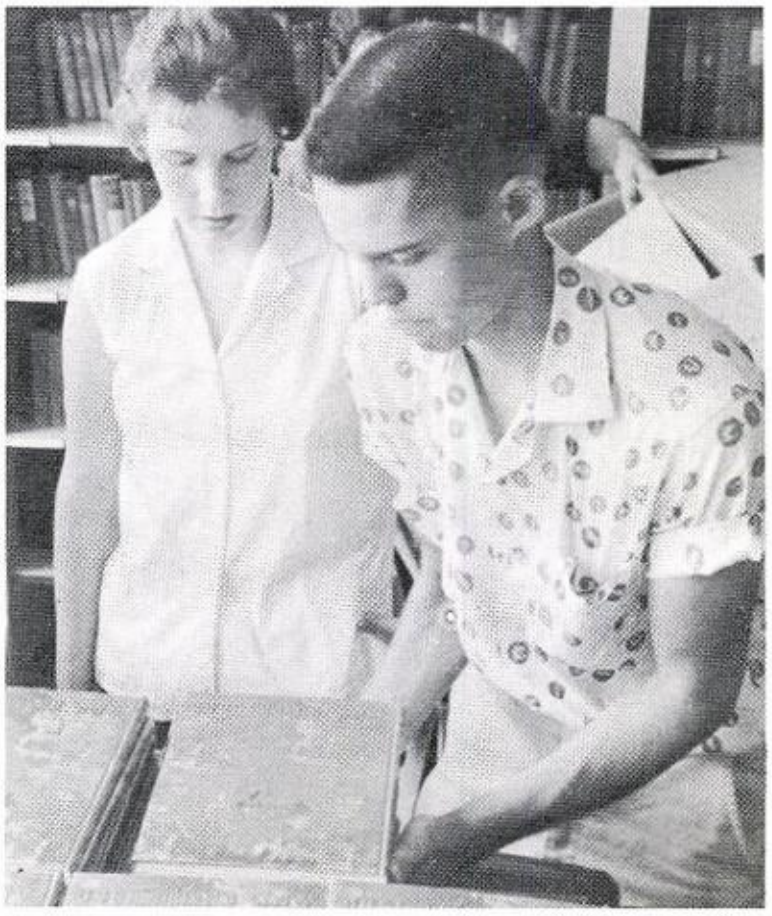
"I DO! I DO!" says Jerri Foss, as she gets "sworn in" by Shirley Kirkwood. The Civics classes always go in for this type of discipline in class.

ANNIVERSARY ARC LIGHT

The major event in the P. H. S. school year of '60-'61, was the delivery of the '60 anniversary edition of the Arc Light. Editor Linda Wilson and co-editor Frances Hamilton slaved, as did everyone else on the staff, and the result was a fabulous, gold-covered book, which was a success in every way.

LAST LAP--- Arc Light Editors search for "boo-boo's" in book.

JOY!---The new Arc Lights have arrived.



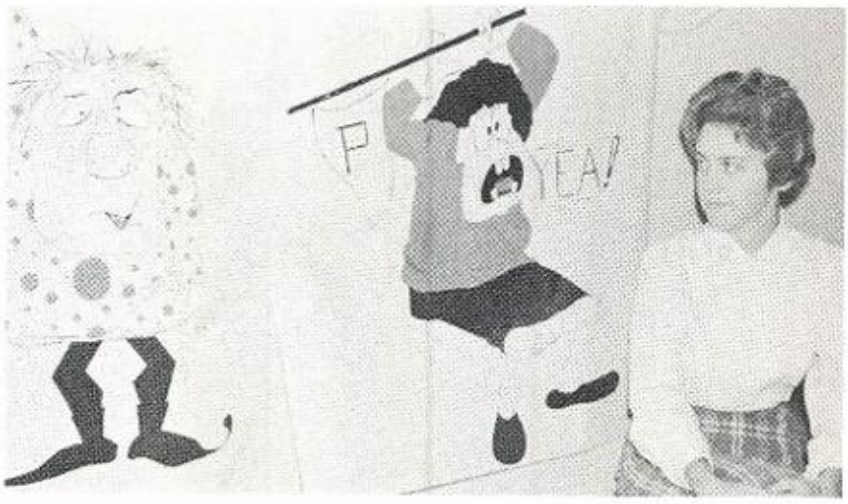
GOLDEN MOMENT--- "Say, honey," say Linda Kay Buckley and Kaye Murray to Gloria Reynolds, "you've been signing our books for a flat hour!!"

SILLIMAN HARDWARE COMPANY

FALL HIGHLIGHTS

WE---thrilled at the ball games, cheered "come on Wildcats," yelled at the pep rallies, grinned when we won, cried when we lost, waited for Andrew to kiss Mary, laughed at the booster posters, went beyond the call of duty to win school spirit, wrapped many a goal post, and stood silent at the end, the annual bonfire.

THE ESSENTIAL SIX---What's a downtown pep rally without our P. H. S. cheerleaders?



"SPIRIT" POSTERS---What would we do without Karen McVean and her weird way of drawing caricatures of her friends?

QUICK!!---Will Johnson resorts to using safety pins when nothing better is available.

WHAT, NO VINES?---"Jungle Jim" Sheppard finds it necessary to use his balance atop the telephone pole the seniors used to mark the goal of the '60 bonfire.

SHY REPOSE---Mary Ward, our 1960 Homecoming Queen, stands happily surrounded by three husky football players who presented her with red carnations.

SOCIALLY SPEAKING - - - - - - -

The football receptions, Student Council flings, the Arc Light's unbelievable costume party, and the Pep-ette's hilarious talent show all bring back fading memories. Let's recall a few together.... shall we?

"HALT!"--- Arc Light Editor (Frani) in her very effective Castro costume seems hesitant to admit Romans into the party.

HARK!-- 'Tis no other than "Pap" Stewart come to fetch little "Nell" Jeffcoat from the arms of her lover, who decided to marry Nell in the middle of the Student Council party.

"DANCING DUDES"-- "Hobo" Herrington and "Jacquelyn" Graves kick up their heels at the Pep-ettes' Talent Show.

"CAUGHT IN THE ACT" --Shipmates Judy DeVers and Pam Yeast bow out when "caught" ogling over a picture, at the talent show, by "Commander" Herrin, of the AIR FORCE!

PIGEONS?-- Some said that the Seniors would resort to anything in order to win first prize at the Student Council Treasure hunt. And they certainly did!

PIGS! -- They always show up at every football reception and social event and feast upon the fruit of other's labors!

WEDDING BELLS?--- I wonder what these smiling members of the bell choir are thinking about? It might be interesting to find out, huh?

ASSEMBLIES

During the course of the year, we have had some really good assemblies, serious and otherwise. The bell choir of the First Methodist Church performed for us, the D. E. students presented a skit, P. H. S. students were initiated into the National Honor Society, Miss Louise Hlass told us about her native Arabia, and we honored our "safe" drivers.

TYPICAL?--- We can't quite decide if these D. E. students are the "typical" types that they portray, but we wish to believe that they are not. Agree?

FIRST NATIONAL BANK

ASSEMBLIES

HONORED---These seniors were elected to the National Honor Society at the first of the year and each has done his very best to uphold the vow that he repeated upon admittance to the Society.

HOW?-- These eight P. H. S. students were selected as "safe" teenage drivers. They must have a secret! But it seems as if no one is telling it.

INFORMATIVE SIDE--- Miss Hlass was one of our guest speakers this year. She spoke to us concerning her native land of Arabia and told us of the old customs and also the modern methods used in her country.

ANNUAL PARADE - -

The seniors always participate in the annual downtown parade. Old resolutions, hatreds, and, sometimes, acquaintances are buried at this time. Friends of the "deceased" don their mourning apparel and our P. T. A. Queen rides down the avenue in all her glory. Here are a few scenes from this year's parade:

WHAT REMAINS?-- Seniors have "mock" funeral; complete with pallbearers and mourning (?) friends and lovers.

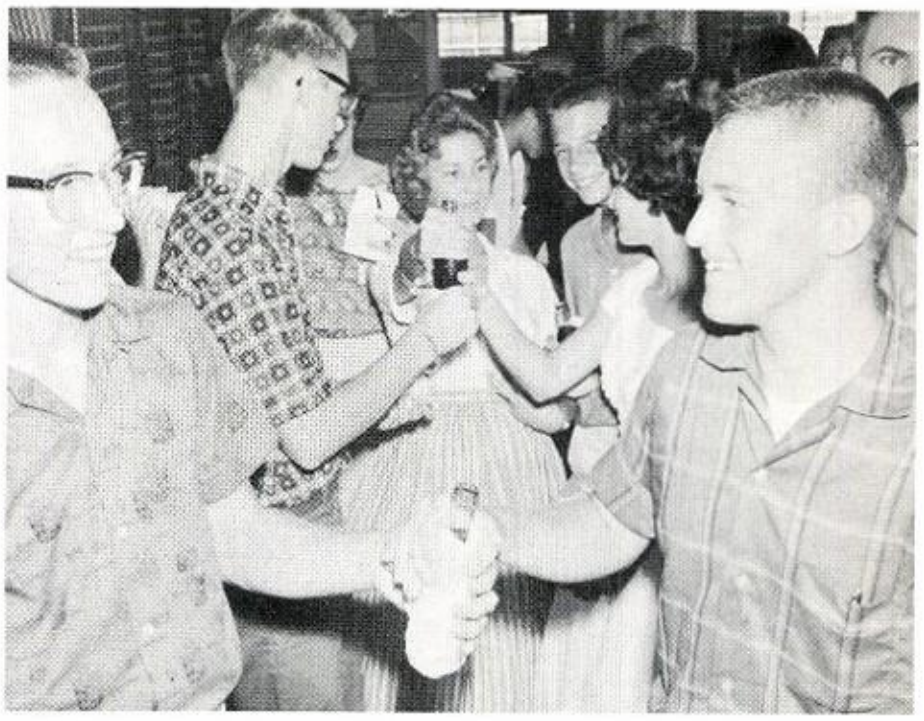
BEFORE FUNERAL-- These girls find time in their sorrow to recall old memories about the "deceased" and to compare notes!

HEY, LITTLE QUEENIE!-- P. T. A. queen, Ginny Schmidt, is chauffeured down the avenue in her "royal" coach by Bonner Brazziel.

WAGNON'S DRUG STORE

CAMPUS COMEDY!

Every school has its special "fun days" and Palestine High School is no exception! The freshman got a free coke on "Freshman Day," the girls got a chance to show their knees on "Short Skirt Day," and everyone had a tug-of-war on "Campus Day"...Recall these familiar scenes?



MUTUAL UNDERSTANDING!--As much as these Junior boys, Roger Henderson and Danny Vance, hate to admit it, they were once lowly freshmen, so they pause to give a refreshing lift to Lumpkin Gallatin and other new members of the incoming Frosh class.

DIFFERENT OR INDIFFERENT? Freshmen girls steal the spotlight on "Short Skirt Day," as they show various means of expression, limitation, and exposition!

TO WIN OR NOT TO WIN?-- Who has the short end of the rope? Fact is, where is the other end? The mighty tug-of-war was one of the many events in which everyone participated on "Campus Day."

THE JUNIOR PROM

Of the two major social events of the school year, the annual Junior Prom still stands out in the memory of every student. This year the theme of the Prom was "A Night in Arabia," (Southern Arabia, that is!). The gym was transformed into an Arabian wonderland, complete with a huge golden Aladdin's lamp, festive Arabian tents, a rich sultan, and scores of pretty dancing girls. The Junior Sweethearts danced the night away beneath a star-spangled Arabian sky with their handsome escorts, to the melodies of their favorite songs. Juniors will recall in years to come the tears that were shed, the work that was done, and the various problems that presented themselves at all of the wrong times, but they will remember, most of all, the fun that they had and the happiness that their "magic moment" produced.

SWEETHEARTS?-- These twelve girls were chosen by their fellow classmates to represent the Junior class of '60-'61 as their Junior Sweethearts. They are (l-r; first row) Kaye Murray, Kay Bice, Connie Eaton, Pat Rogers, Judy Watts, Gloria Reynolds; (sec. row) Linda Kay Buckley, Judy Harris, Lou Flanagan, Jan Jubela, Jeanne Dennis, and Carol Anderson.

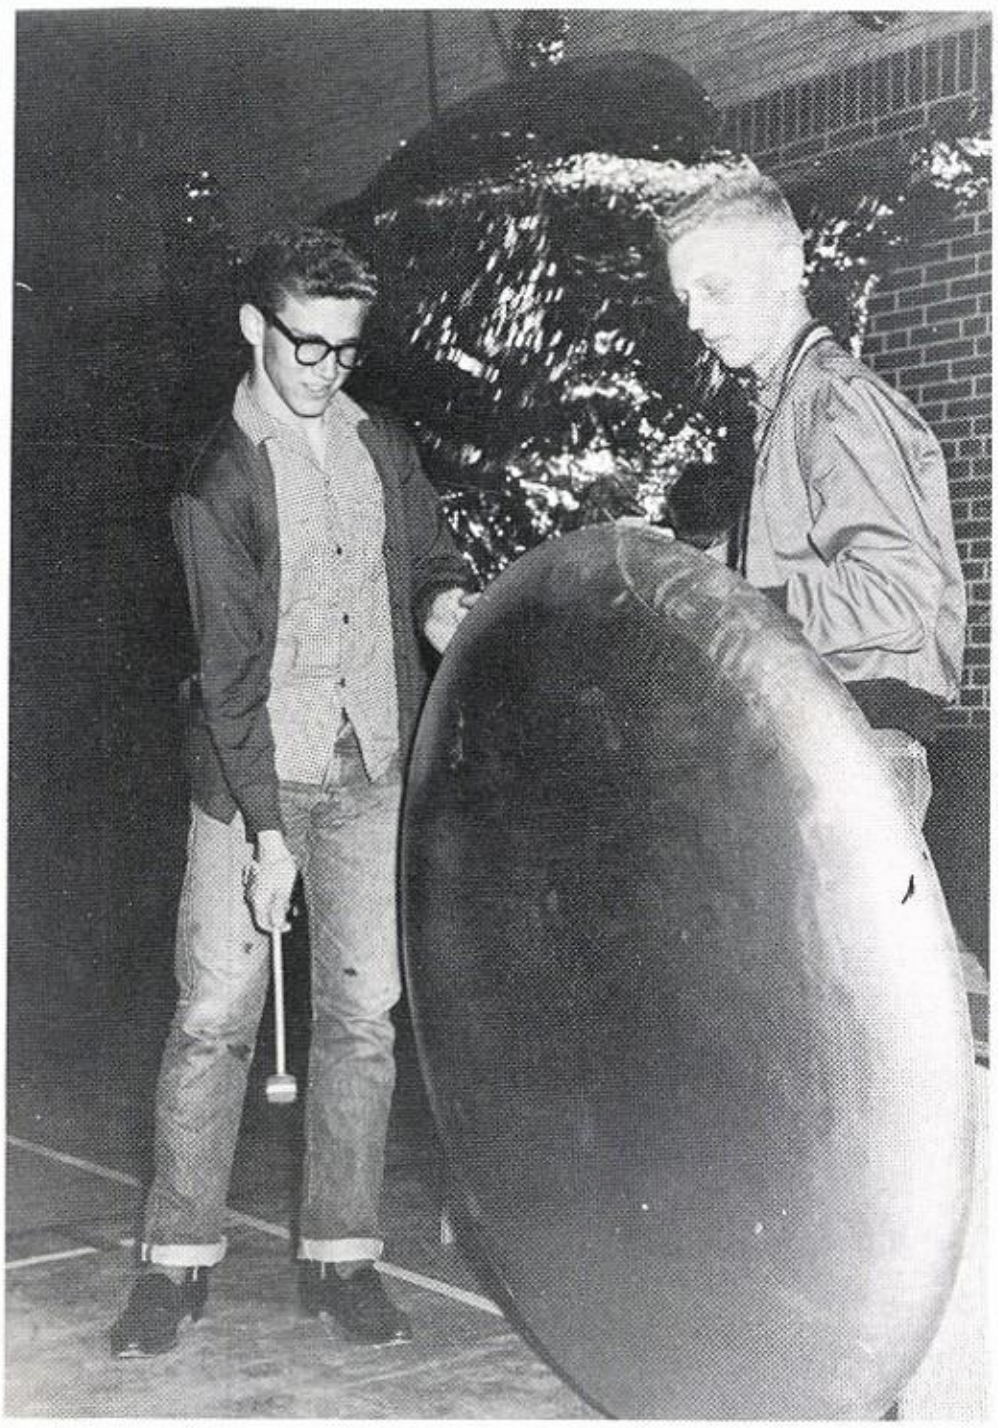
PAPER STRIPPING PARTY!--- Why does it always happen to the Juniors? It you have too much paper, then you don't need it and, if you don't have enough, then you always need more! This picture is an example of too much!

FLOURNOY'S FURNITURE STORE

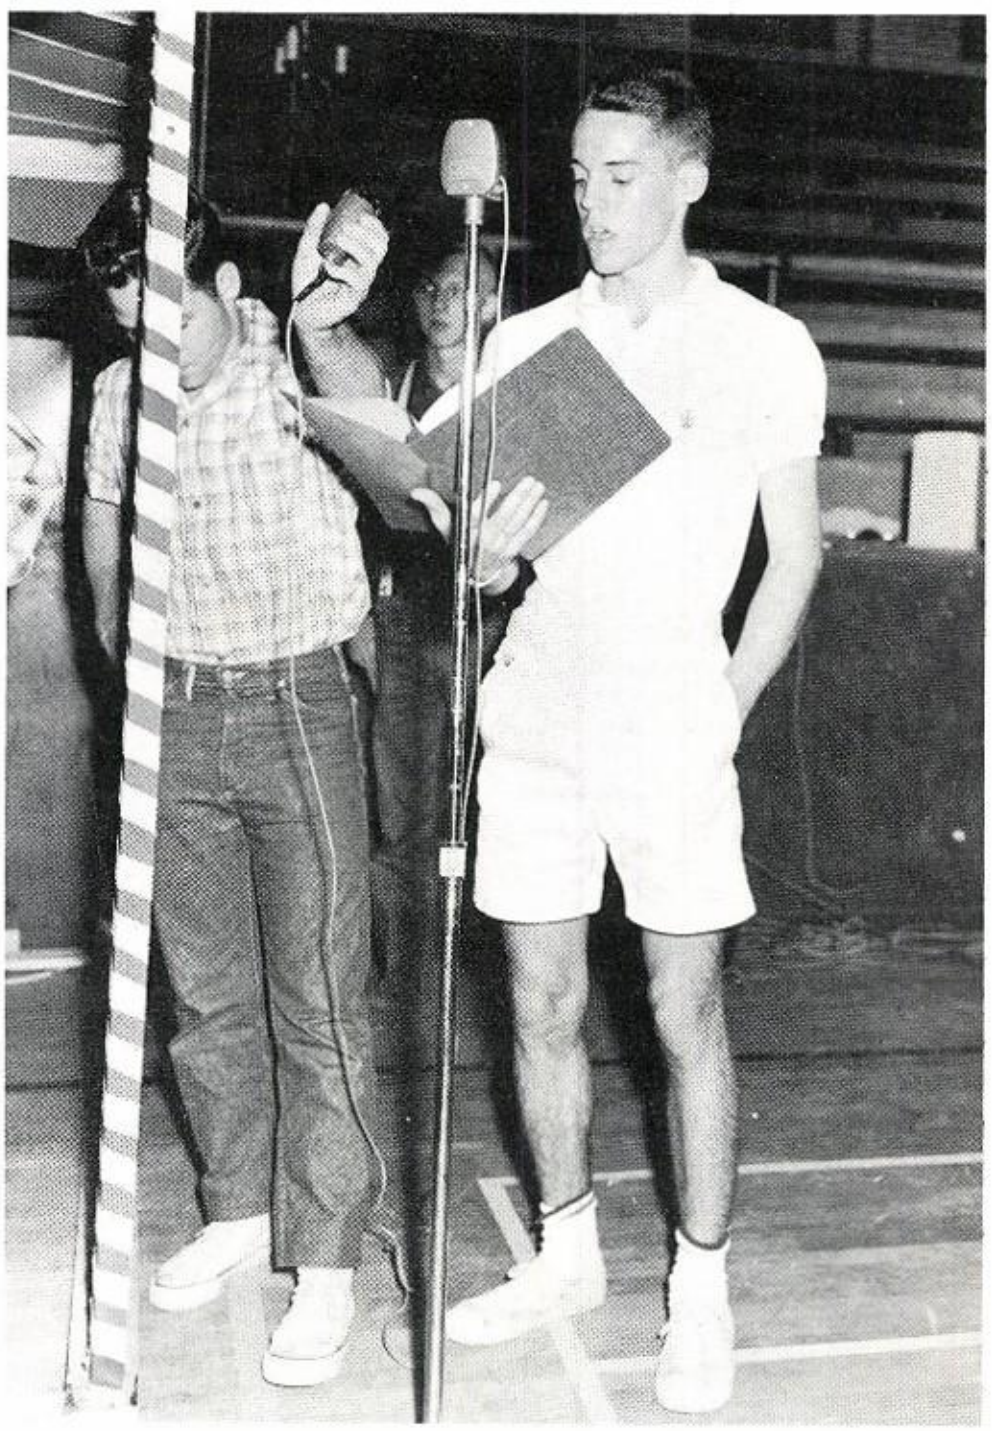
JUNIOR PROM

HEY, SON, CUT THAT OUT!--Tommy Pickle and Clare Weeks head the tent building committee and, thanks to them, the tents, despite fears, did not collapse!

THE JUNIOR'S TEAPOT!---Terry Hendley, Mr. O'Keefe, and Mr. ? eye the "teapot" and seem to be wondering if it is all a bad dream!

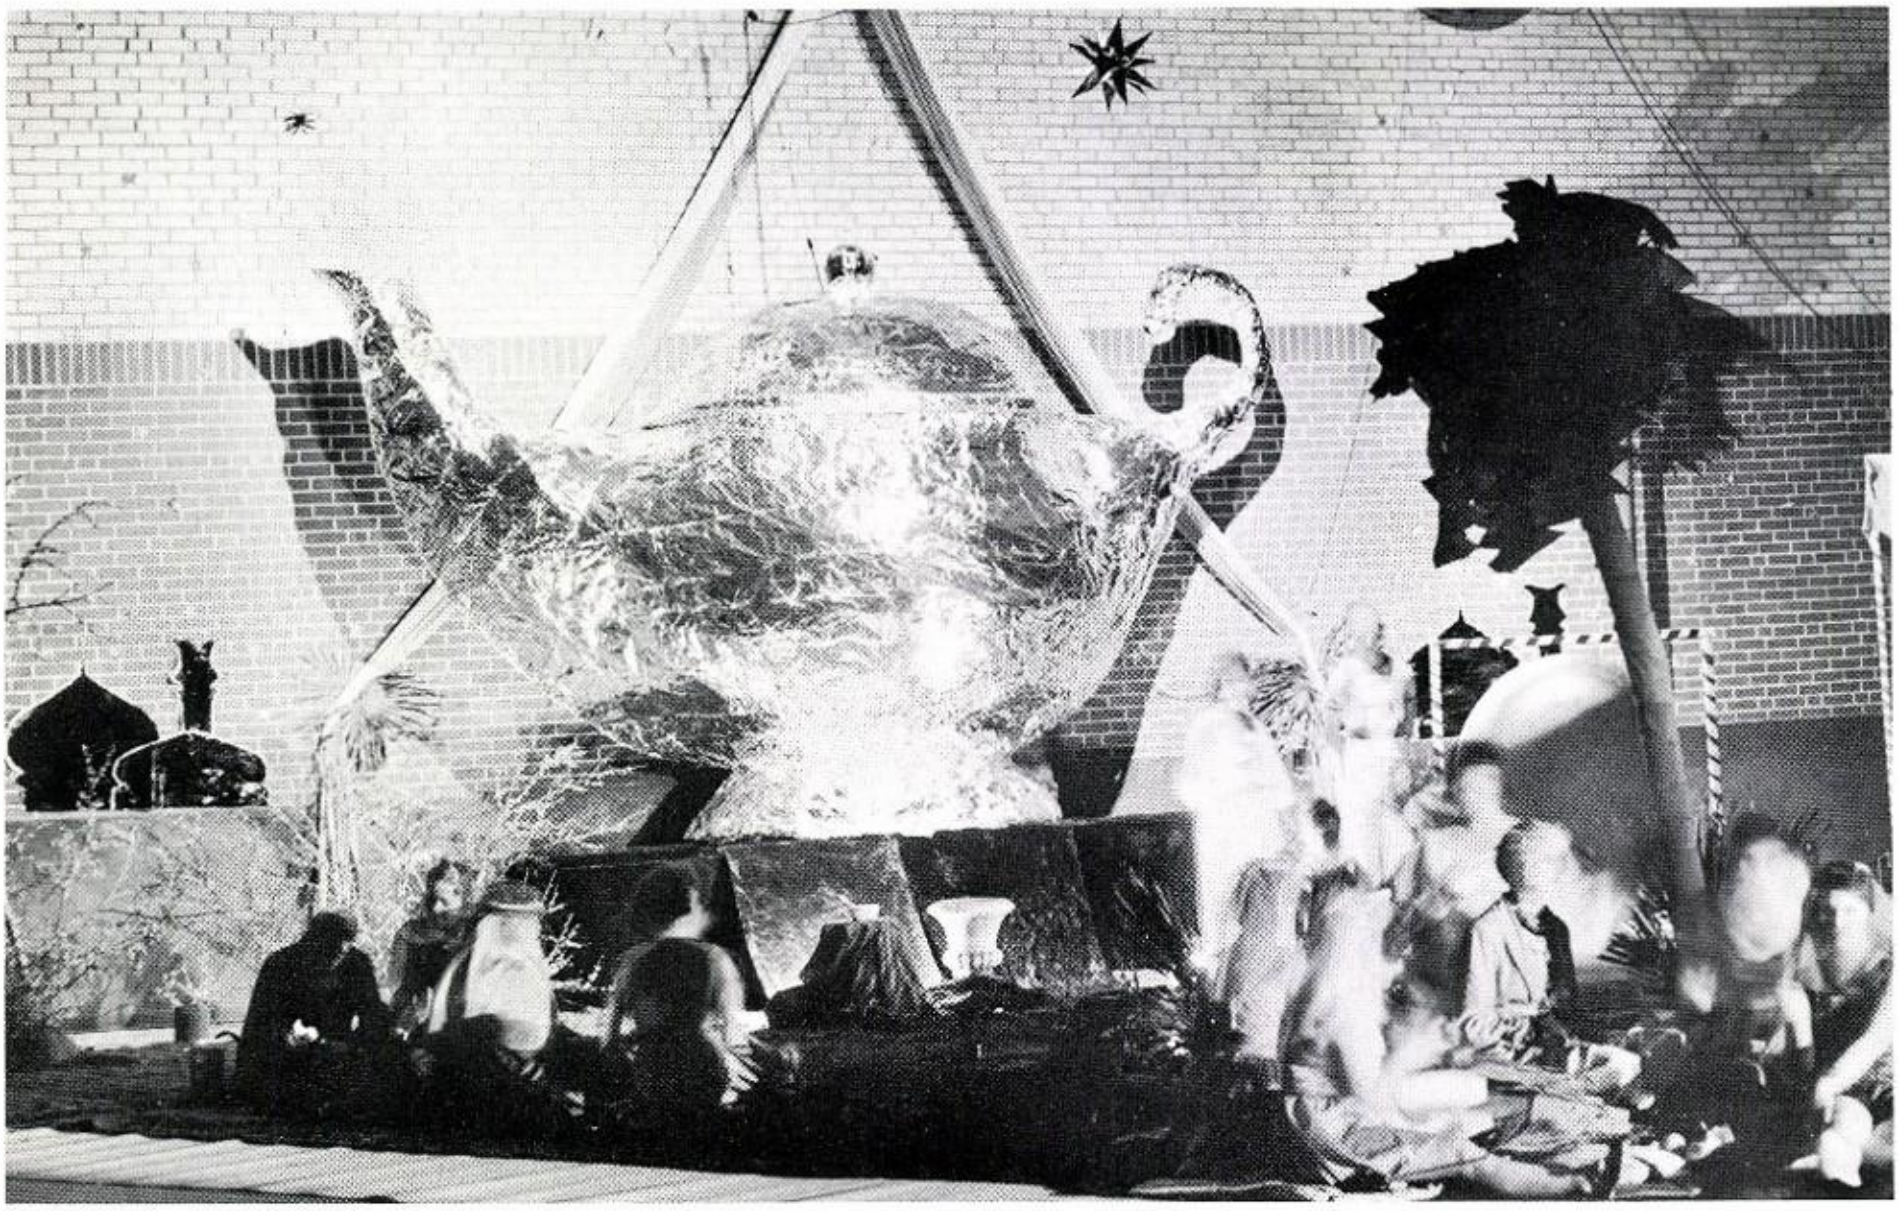


GEE, IT REALLY WORKS! says Jerry Don Bynum to Tommy Pickle. Jerry Don was the "gong boy" at the Prom.



TENNIS ANYONE?--Master of Ceremonies, Will Johnson, takes a short break from "A spot of tennis" to presume his duties at the royal "Court-nasium."

JUNIOR PROM



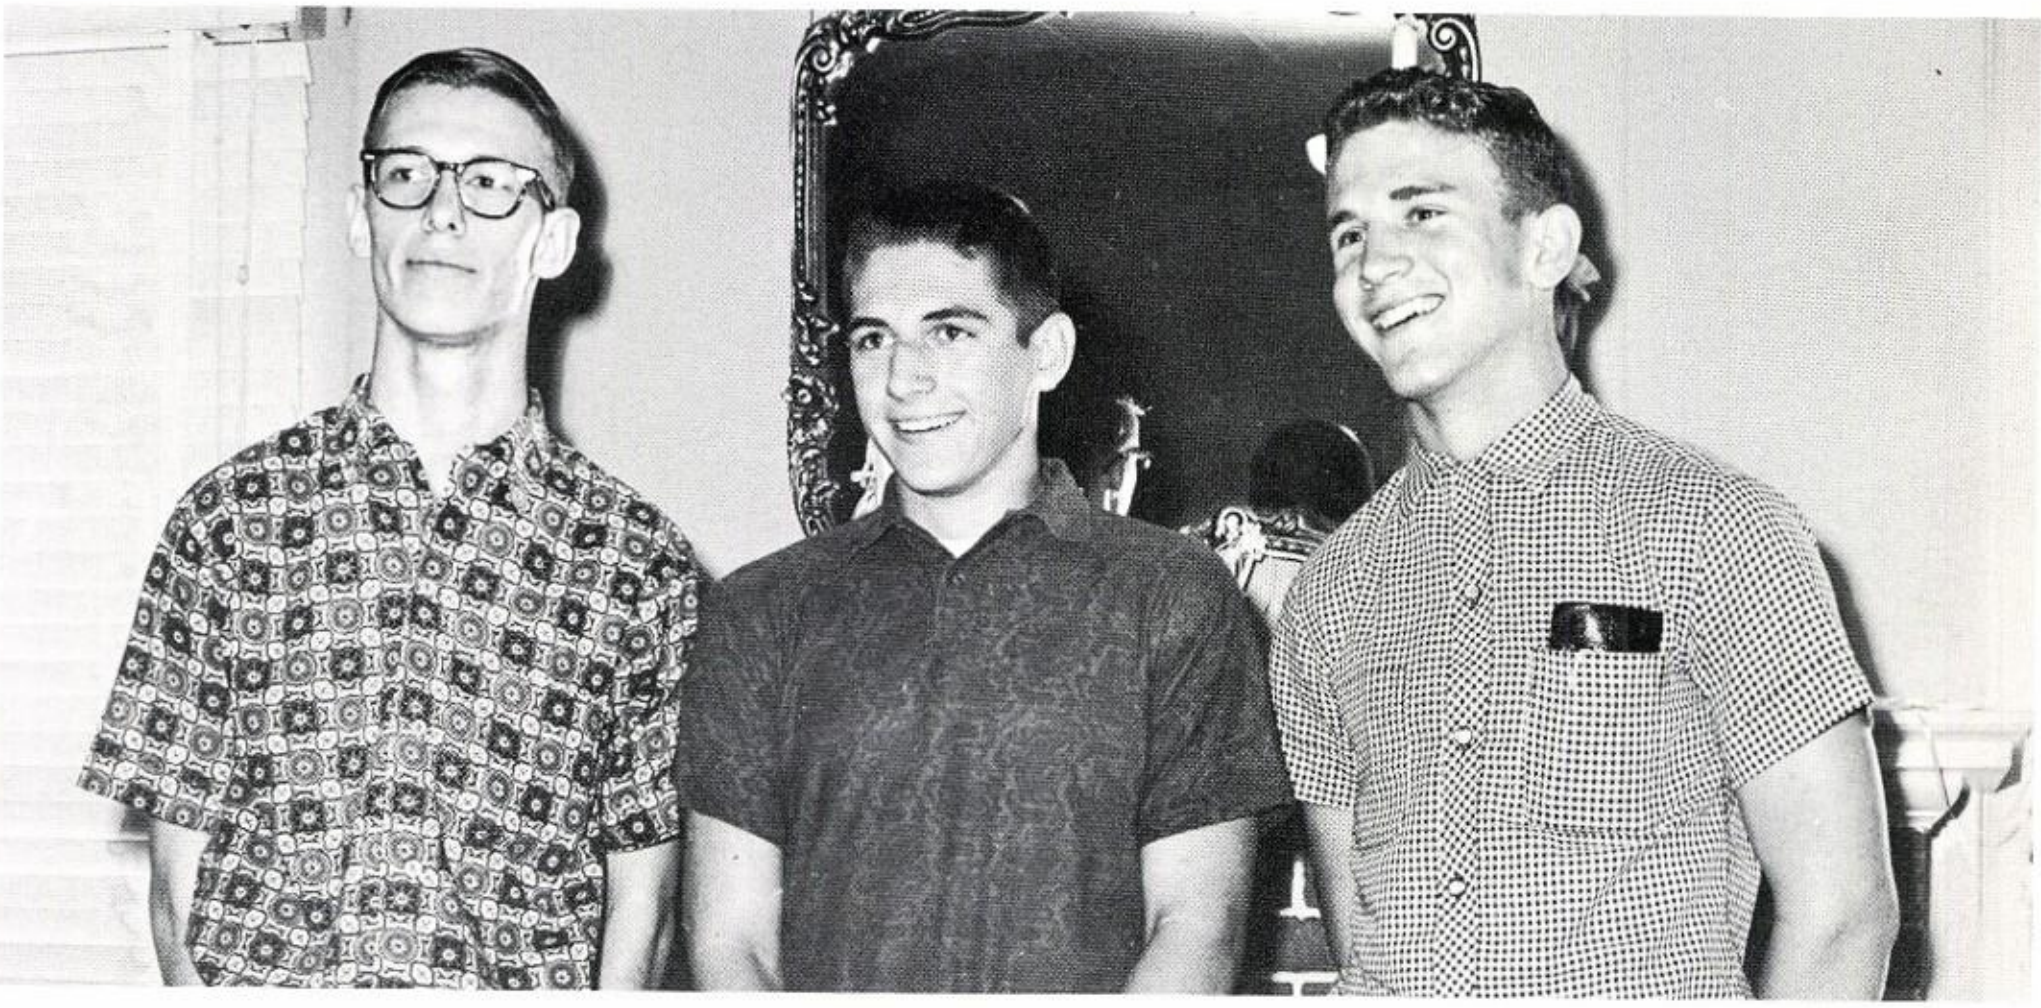
MYSTICAL NIGHT IN ARABIA --- The stage is set and all await the arrival of the Sweethearts, as exotic music fills the royal court of the rich sultan.

DREAM DANCING-- The twelve Sweethearts and their escorts float on the wings of dreams to the familiar melody of "The Sweetheart Waltz."

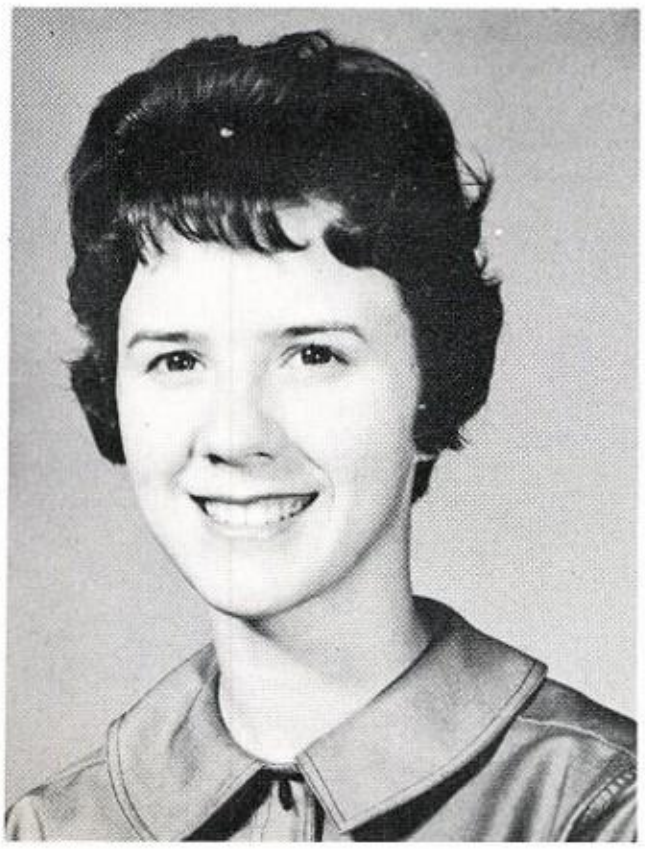
TRAVIS PRINTING COMPANY

DELEGATES TO BOY'S STATE AND GIRL'S STATE

Each year the faculty of Palestine High School selects representative students to attend Girl's and Boy's State. These students are selected from the Junior Class; they will attend during the month of June. At Girl's and Boy's State, the delegates learn the duties of city, county, and state offices. They choose their own officials and organize their own city, county, and state governments, which are patterned after the government of the state of Texas. These citizens of Boy's and Girl's State learn about Texas government by actually participating in this imaginary system of organization.



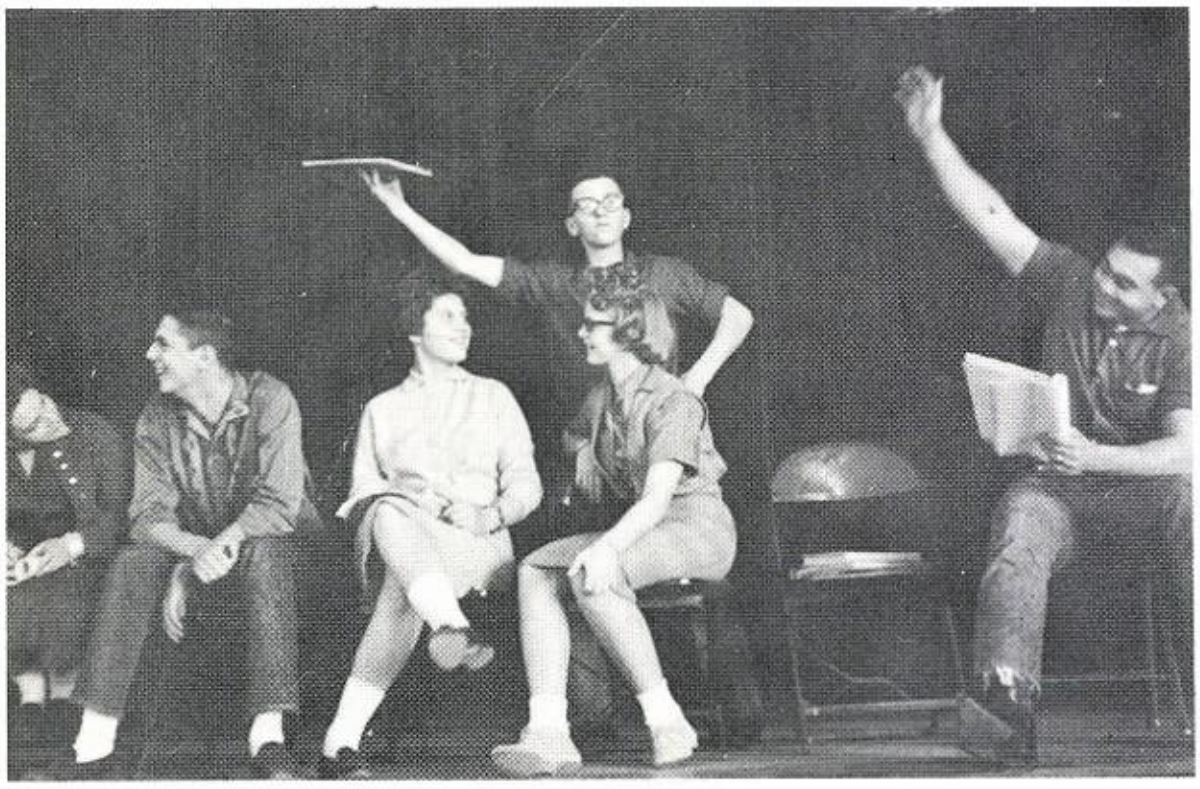
BOY'S STATE--- These outstanding Junior boys, Danny Vance, George Page, and Jerry Don Bynum, will be attending the 1961 Boy's State. They are sponsored by the Rotary Club, the Kiwanis Club, and the American Legion.



The 1961 delegates chosen to attend Girl's State are Kay Bice and Lou Flanagan. These two Junior girls will be sponsored by the American Legion Auxiliary.

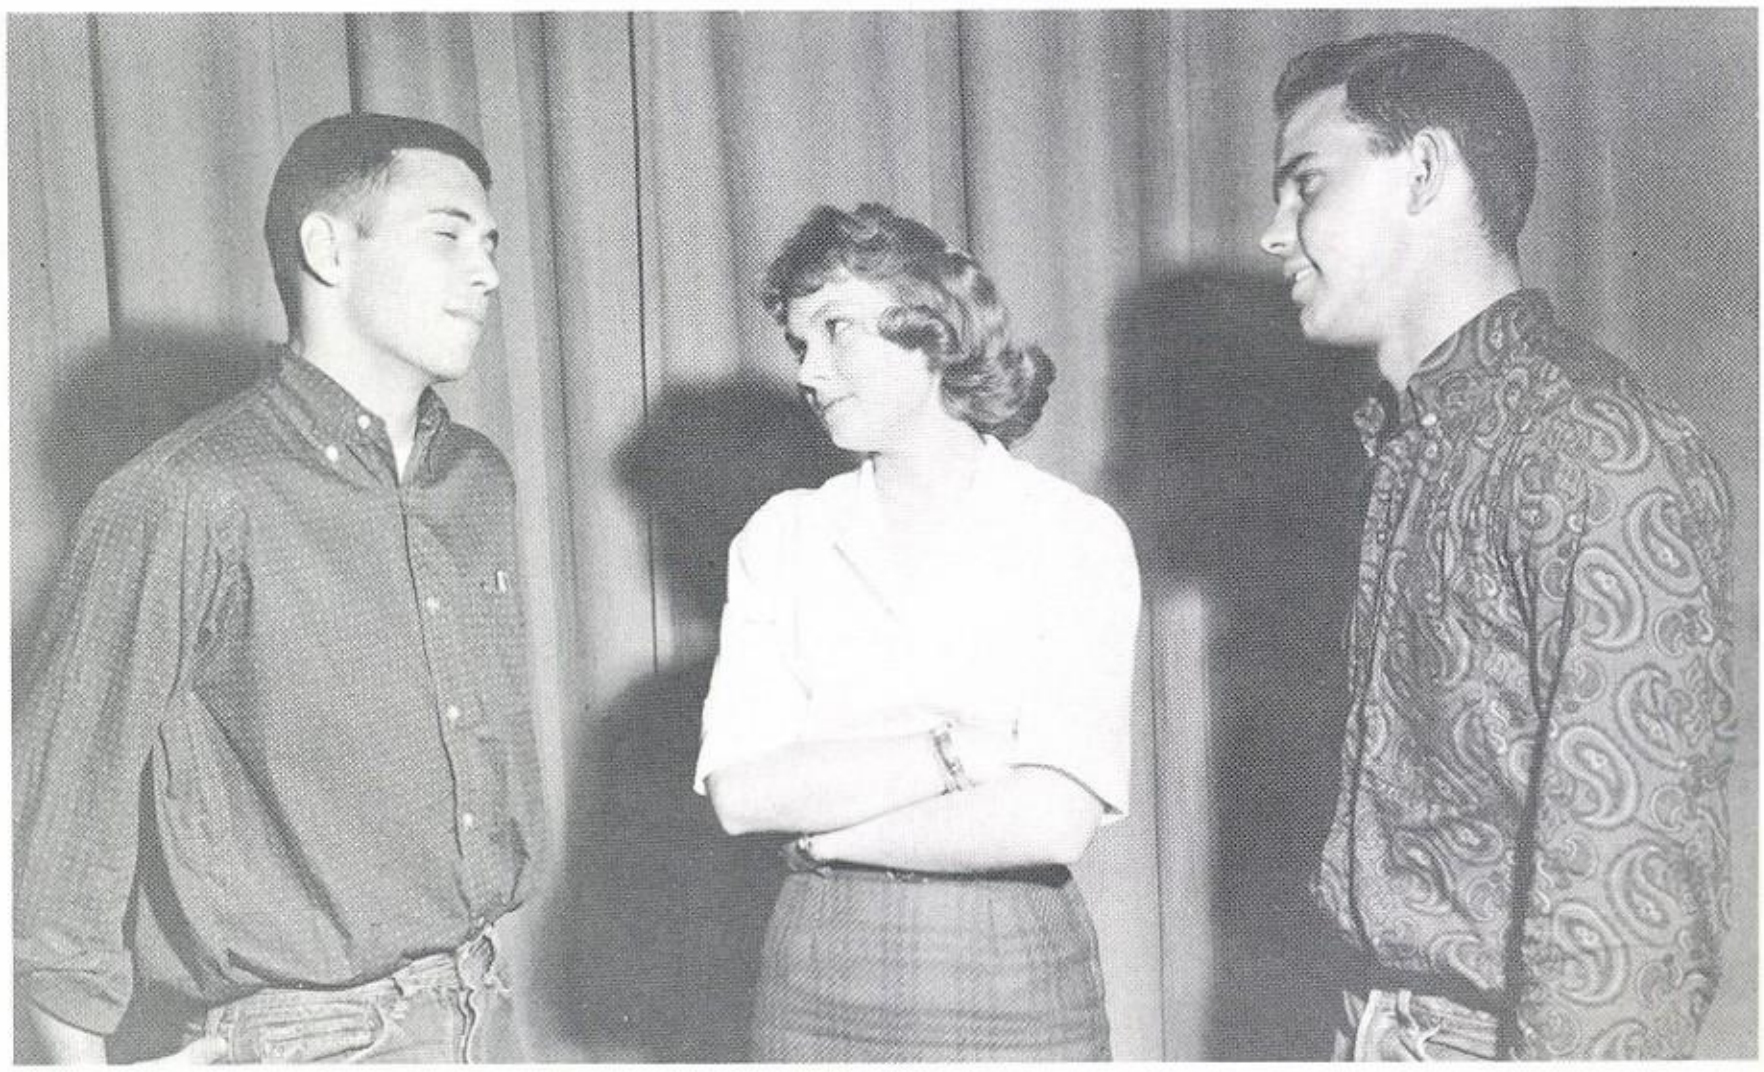
CHOIR TURNS DRAMATIC!

Each year Mr. Moseley turns his choir classes upside down in his search for new talent for his annual play. This year Mr. Moseley wrote, produced and directed his play, which was entitled "Summer Visitor." The songs were great and the acting "almost" professional. Here are a few scenes from this year's play.



JAM SESSION---Everyone relaxes for a very brief moment; one reads script, one develops expression, and a few chew choice bits of gossip.

"WOMEN!" says Randy Hudson (a bright new freshman star), as Renee Vincent, who played the part of Madeline, bubbles over with enjoyment.



"REALLY NOW, BOYS!" exclaims Anne Shelton (Madeline in the first production) to Deno Nickols (Alfred) and Corky Huffman (Bud), as they battle for her attention and admiration.

ANNUAL AWARDS ASSEMBLY

At the close of each school year, every student who has made an outstanding achievement is recognized by being presented an award at the special Awards Assembly. These honored students are a large part of our school and are always held in highest esteem by both classmates and teachers.

The three highest ranking students in the 1961 class were Mary Henry (Valedictorian), Richard Dupree (highest boy), and Kay Ferrell (Salutatorian).

Andrew Overton, the Handsomest Boy, receives his portrait from Miss Osjetea Briggs.

Hubert Massey received the American Legion Citizenship Award.

These outstanding students were the recipients of the Junior Historical scholarships. They are Judy Rowan, Mary Henry, and Harrell Allen.

Mr. Mac Knowles gives the two National Bank Scholarships to Mary Henry and Richard Dupree, the highest ranking boy and girl.

Miss Briggs presents Lou Dorman with the Anderson County Council Medallion of Honor.

Miss Louise Hathcock presents to Marilyn Turner the award for winning the "Theme of the Week" Contest. Marilyn came out the determined winner and appears to be very excited and happy.

We, the students of Palestine High School, wish to say that we were so happy when our own Mr. Bob Bristow was presented with the Anderson County Council of Honor Distinguished Service Award. Miss Osjetea Briggs made the presentation.

MARIE'S SLIPPER SHOP

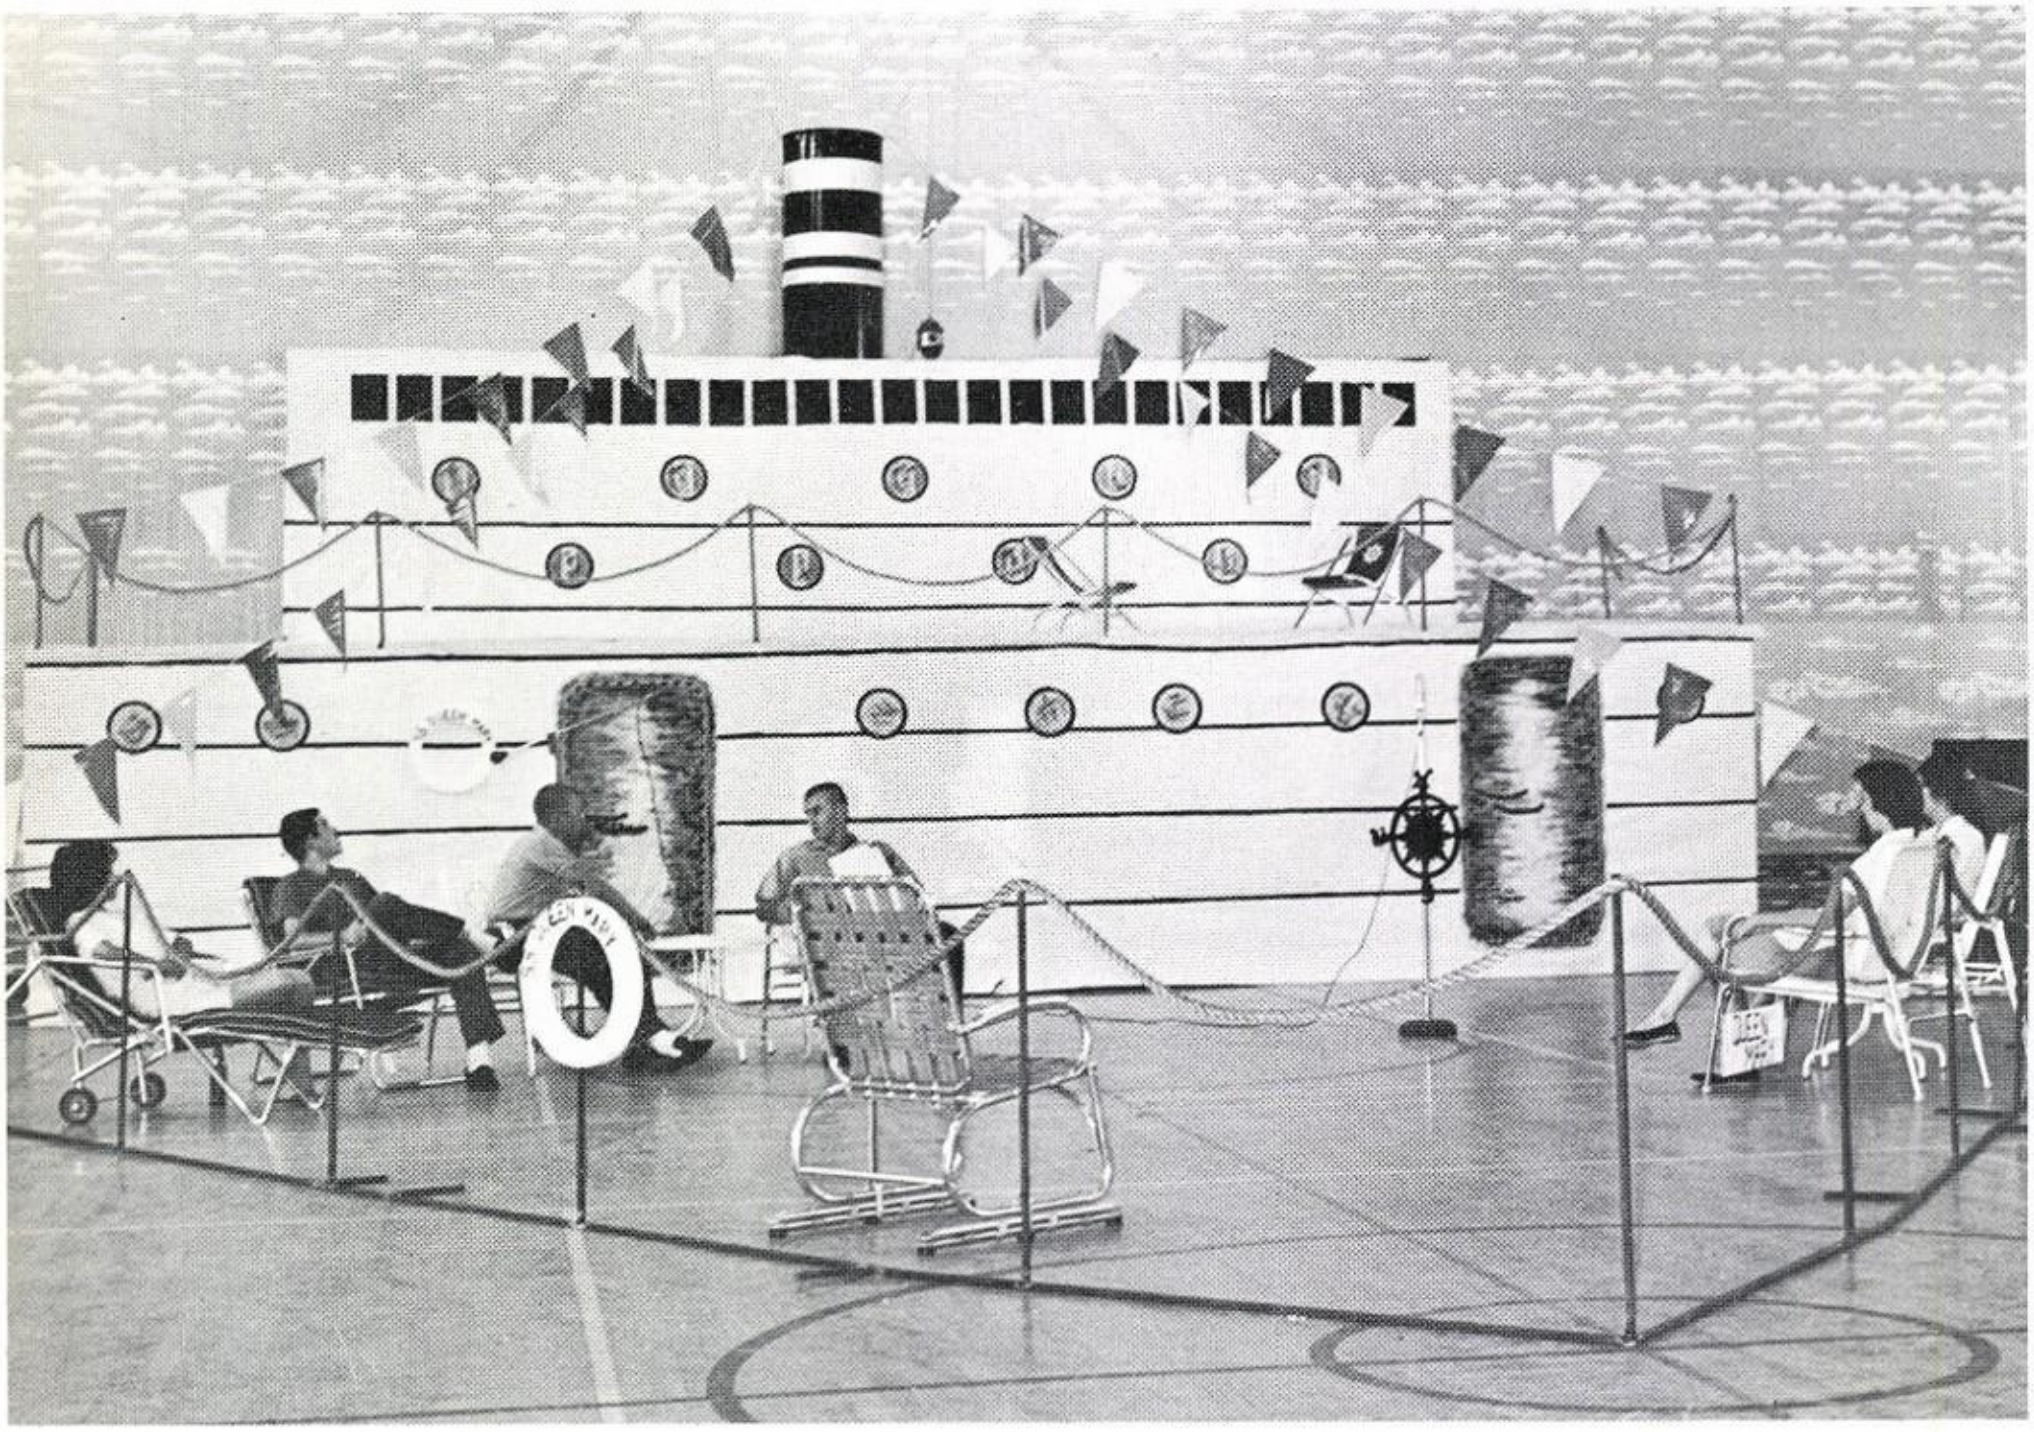
THE SENIOR CORONATION – 1961

Highlighting the social events of the school year is the Senior Coronation, which was given this year on May 12, 1961. The theme of this year's coronation was "The Voyage of the Queen Mary."

Miss Cleo Willingham directed the coronation and Miss Connie Hurley was the valuable, valuable advisor. The talent for the show was provided by the Drama Department of Sam Houston State Teachers College. They presented skits from Rogers and Hammerstein's "South Pacific."

The Princes and Princesses, the Guard of Honor, the Chain Bearers, and the Dukes and Duchesses lined the decks of the "Queen Mary" to adorn the royal court of Her Majesty, Queen Mary Ward, and His Majesty, King James Botary. The school celebrities and the class favorites were also presented to the royal couple.

Seniors will remember the long hours of honest toil that they spent on their Coronation and they will also remember the many classmates and sponsors who helped so much to make this 1961 Coronation the best ever in the books of Palestine High School.



DECK TENNIS ANYONE?-- Seniors appear to be enjoying the "sun and the surf" as they bask in the tropical setting of "The Voyage of the Queen Mary."

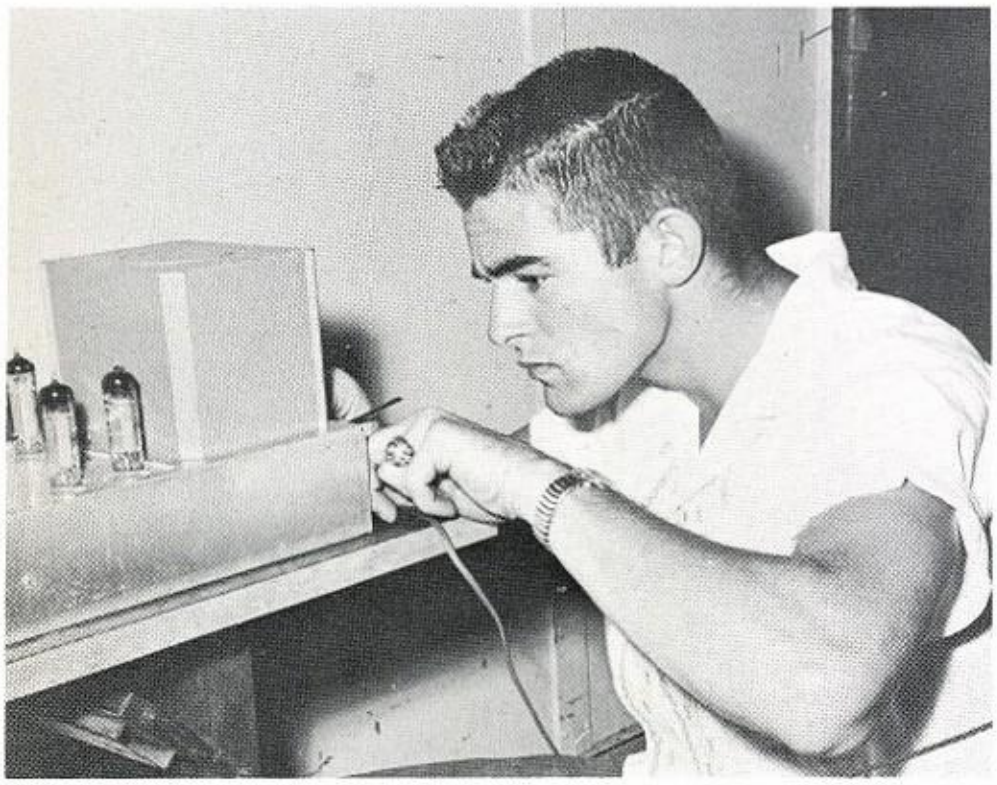
SELDEN SHADE SHOP

CORONATION — '61

The job of the Master of Ceremonies involves more mental exertion than one might expect. The Master of Ceremonies must be the cool type who can handle the many situations which might occur in a "live" program. This year's Master of Ceremonies, Andrew Overton, did a fine job keeping the court on its toes and his "Coolness" served to make the "Voyage of the Queen Mary" a very pleasant one.

An essential part of any royal court is the Court Jester. She must have a good personality and must be able to supply witty entertainment for the enjoyment of the royal couple and the members of the court. This year's Court Jester, Ginny Schmidt, gave a lively lift to the activities of the court. Ginny's good personality made her a "natch" for the part.

CORONATION – 1961



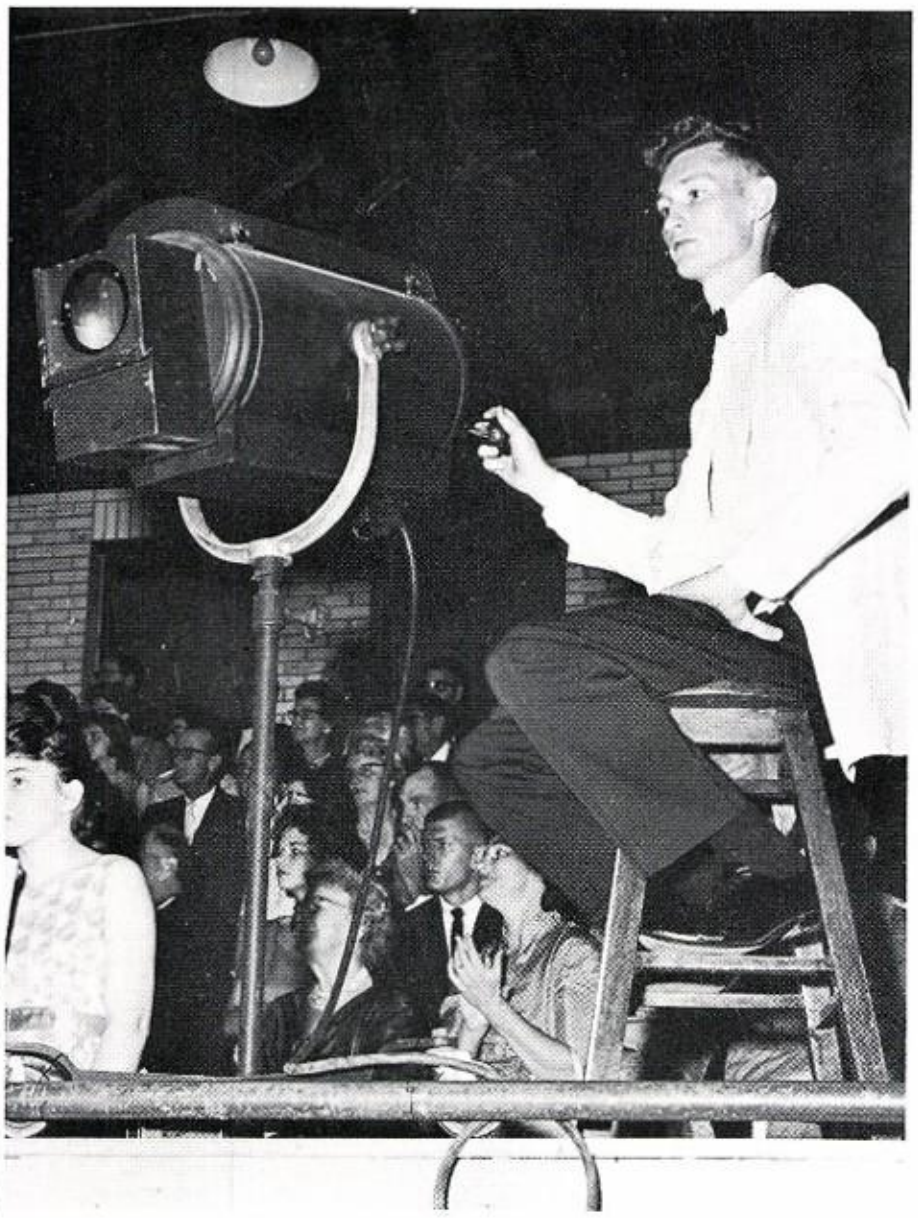
PREPARATION--- Eddie Ray Bedre seems to really be concentrating, as he rigs up the hi-fi and microphone systems for the big night.

PRACTICE--- Prince Jim Sheppard and Princess Saundra Selman learn the "correct" way to bow, when presented, with the help of Miss Connie Hurley.

PROCESSION--- Queen Mary and King James allow themselves to be caught "in the act" of practicing for the big event. (Notice those sweet, "unaware of being watched" facial expressions!).

J.J.R. OFFICE SUPPLIERS

THE BIG NIGHT - CORONATION 1961



WAITING!--- Bobby Gaines sits calmly perched upon his stool waiting to spotlight the King and Queen as they enter into the royal court.

SUCCESS---Queen Mary Ward now experiences the joy and the sadness of this supreme moment, as Prime Minister, Archie Amason, places the royal crown upon her head.

GANG-WAY!-- The royal couple enter the court looking quite noble and very happy. This is the moment they will never forget. This night belongs to them forever.

DETERMINED--Crownbearers Jenna Lou Stewart and Mark Thornton made their trek to the throne with crowns intact.

ENTERTAINMENT - CORONATION 1961

A-HUM! Arc Light photographer, Fred Felder, makes the presentation of the School Celebrities and of the Class Favorites to the royal court.

ONE-AND A-TWO-AND A-THREE-AND A-- The P.H.S. Band, under the direction of Mr. David Moore, supplied the music for the Coronation and let it be known, THEY ARE GOOD!

WOW! GET A LOAD OF "HONEY BUN!" The Department of Sam Houston College entertained the court with skits from "South Pacific."

THE ROYAL COURT - CORONATION 1961

DUKES AND DUCHESSES --- These students were chosen by their classmates to represent them in the Coronation. They are: Freshman Class, Judith Bassett and Leon Willhite; Sophomore Class, Margaret Drane and Dicky Seale; and Junior Class, Jeanne Dennis and Johnny Hall.

DOGWOOD CHAIN BEARERS --- The Senior Chain Bearers (Back row, 1 to r) are Nelwyn Morris, Bobbie Amason, Sandra Hilton, and Kathy Langston. The Junior Chain Bearers (Front row, 1 to r) are Judy Chaffin, Elaine Blount, Molly Lockey, and Carolyn Evens.

THE ROYAL COURT - CORONATION 1961

PRINCES AND PRINCESSES---The 1961 Coronation Princes and Princesses are (1 to r) Donald Dressell, Larry Pickel, Jim Sheppard, Saundra Selman, Carol Clark, Shirley Kirkwood, Mary Henry, Donna Pagitt, Larry Le Gard, and Jerry Graves. (King James and Queen Mary are in the center).

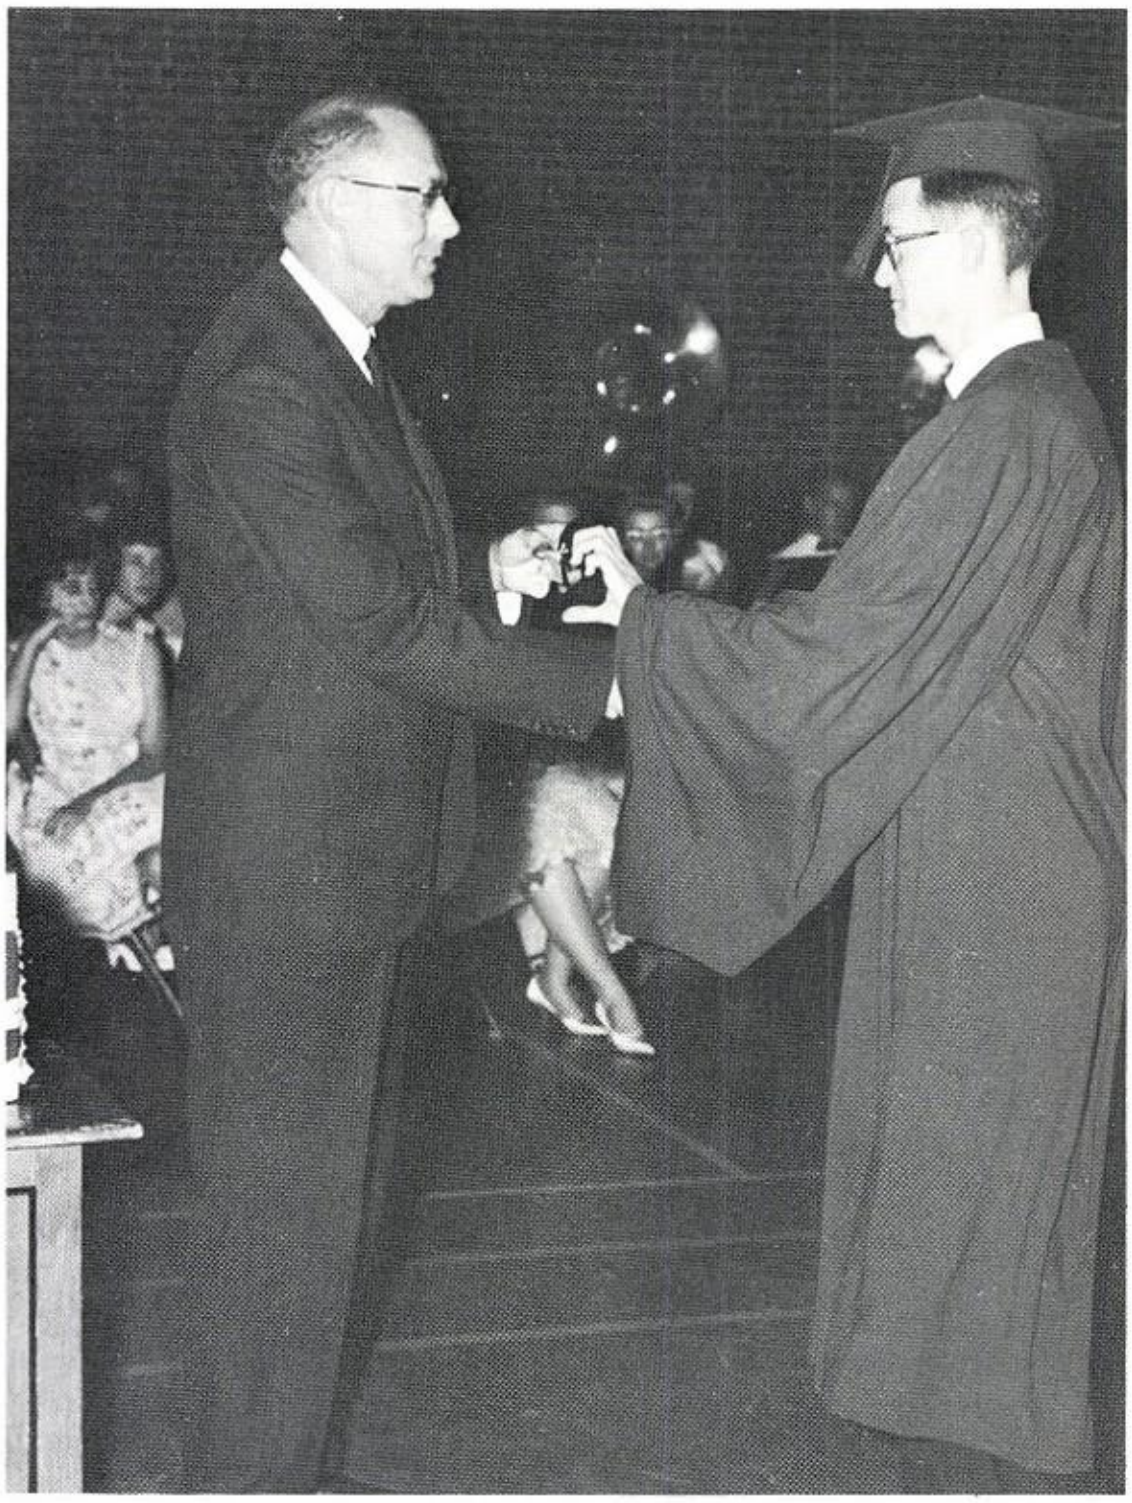
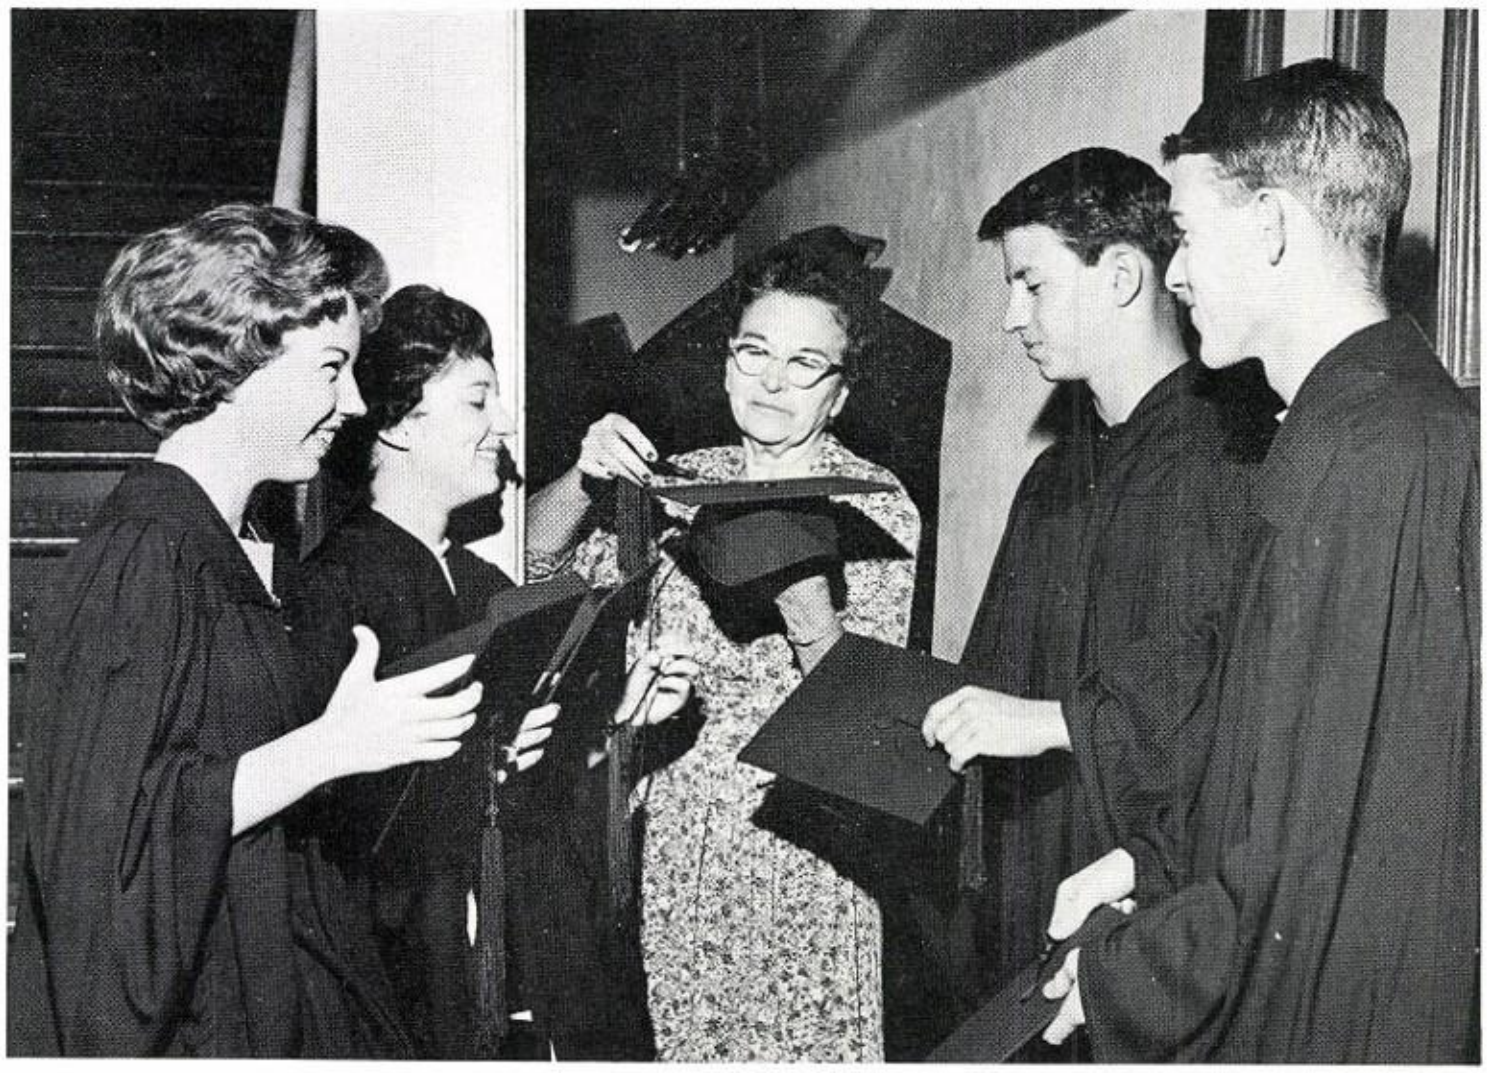
GRADUATION - - SENIORS ONLY!



THEY MADE IT! Fred Felder, along with his 125 classmates, clutched eagerly at his hard-earned diploma on the night of May 25--a letter day for the new graduates.



THE POMP AND GLORY OF BEING A SENIOR! These Seniors, Mary Henry, Frani Hamilton, Henry Davenport, and John Lively, are prouder than punch of their Senior caps and gowns. But Mrs. Ballard warns: "Don't you children lose these caps--there'll be Seniors next year, too!"

PROGRESS REPORT

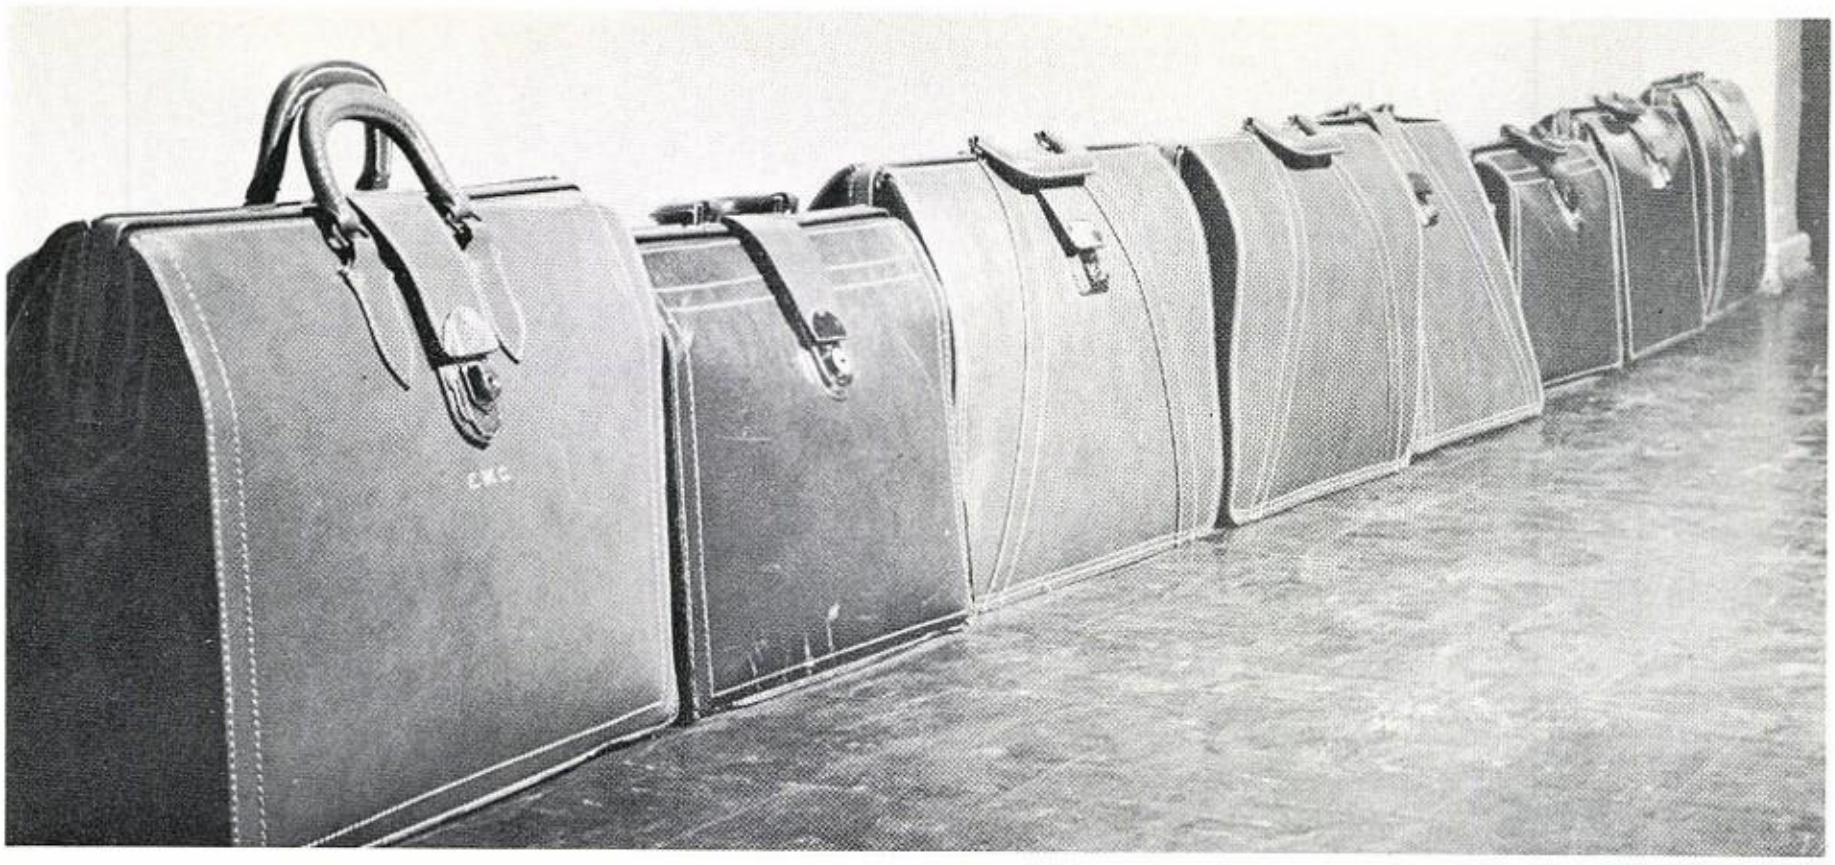
A NOTE TO THE READER:

This "Progress Report" has been prepared expecially for you-- by us. All too many projects of this nature were created not by the students themselves, but are supervised or stiffly edited by sponsors or other adult supervisors. As a result, many such reports tend to exaggerate the truth, often present a "corporate image" that adds gilding and gloss to the simple unvarnished facts.

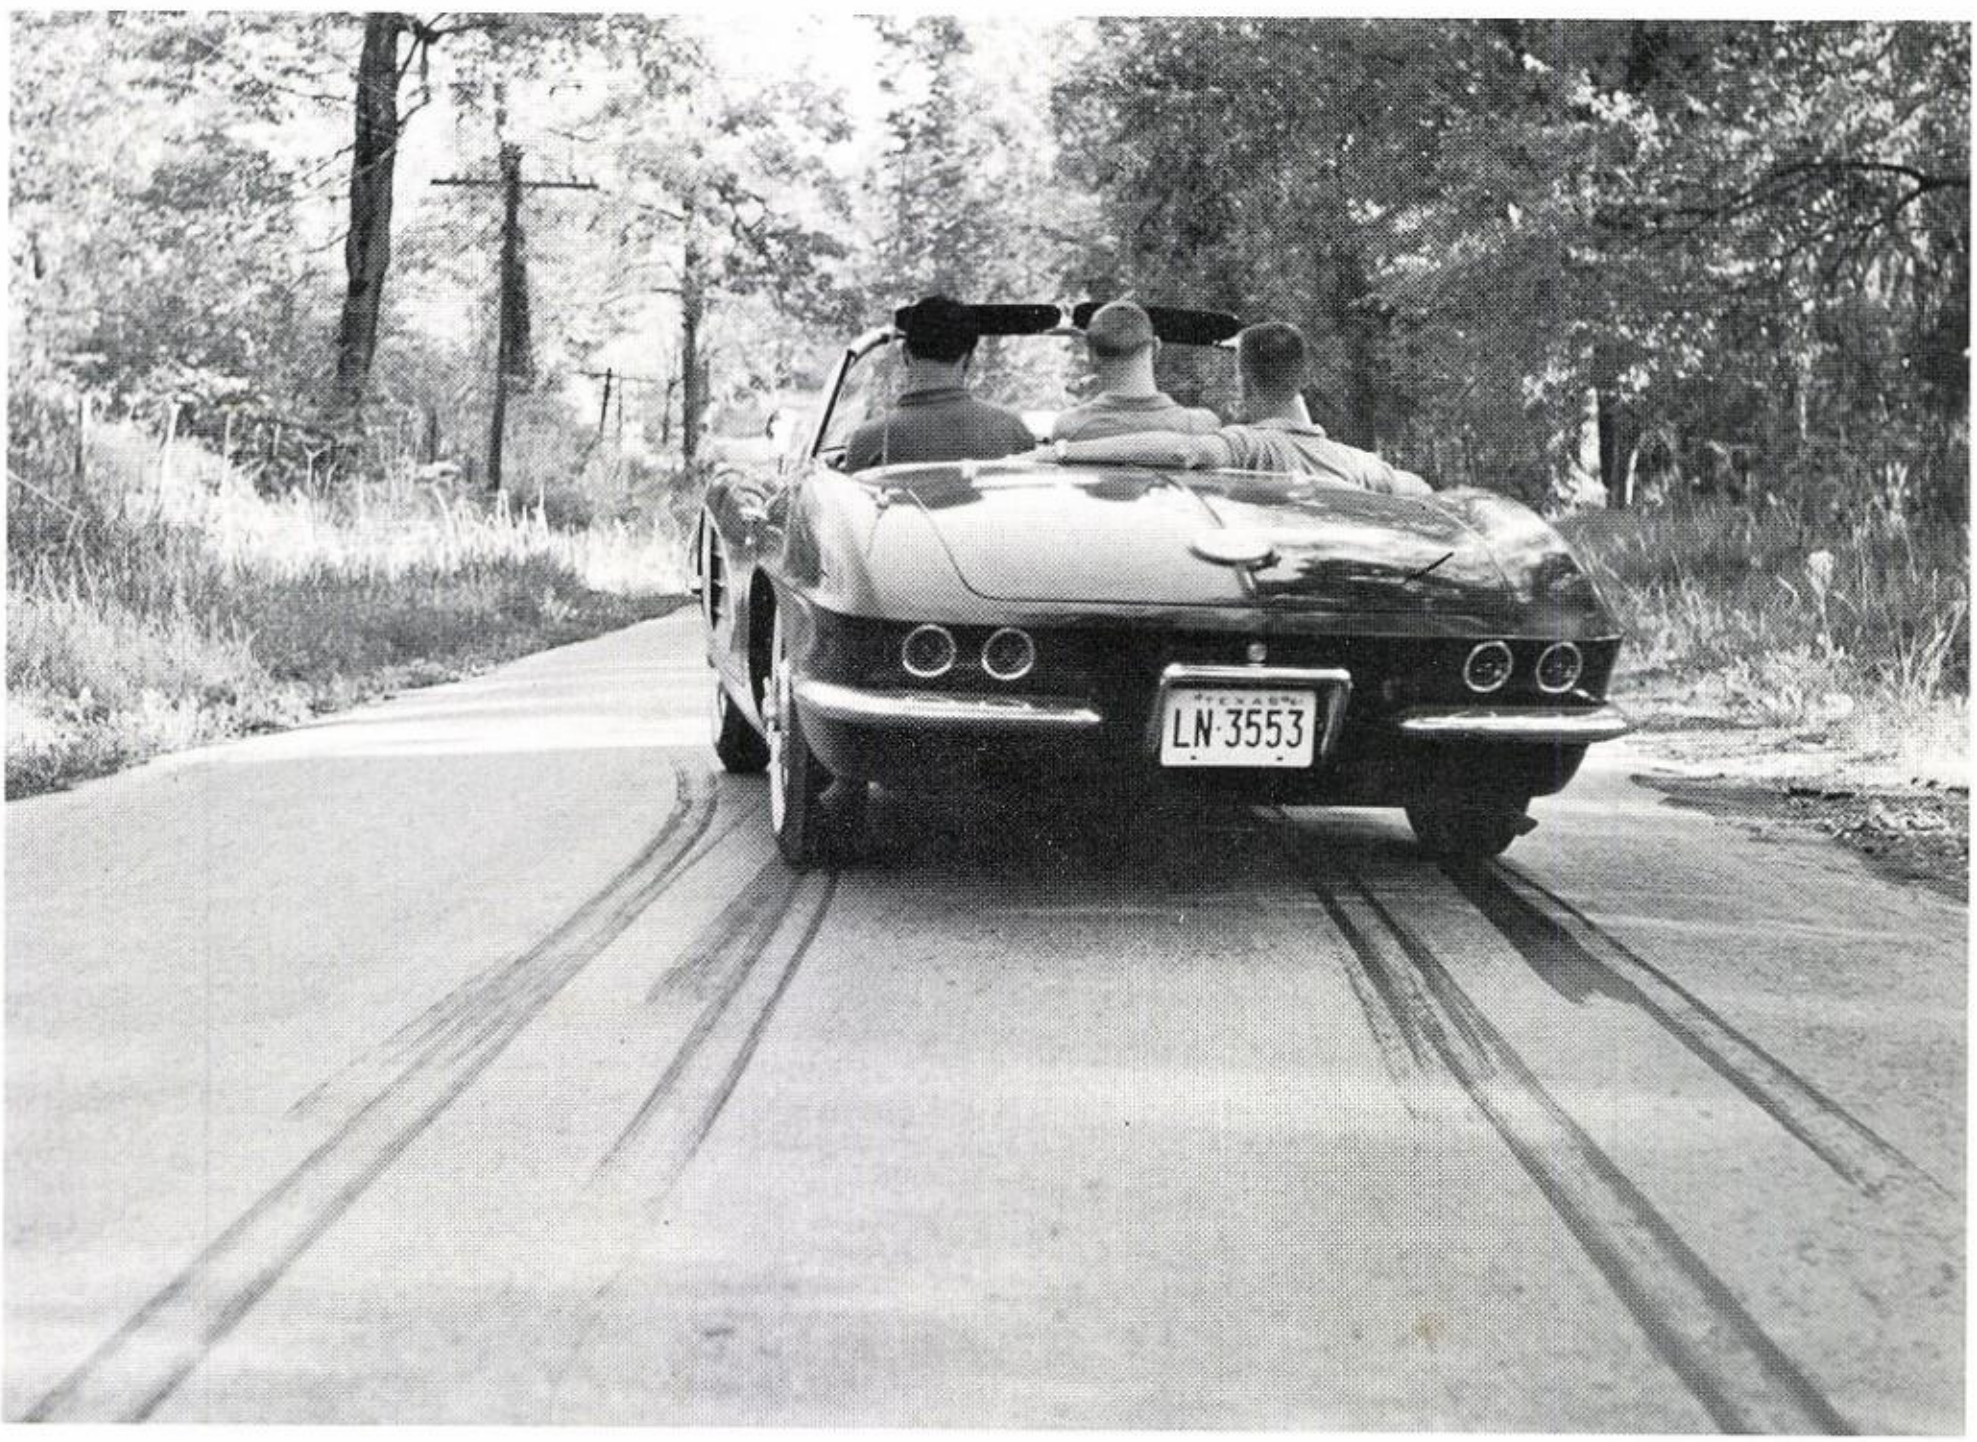
We're proud to state that we prepared this report ourselves. You want to know just how we work, something about our facilities, ourselves, what we do, the steps that brought us to the point of educational development where we stand today.

True facts are what interest you--and us, also. If we appear boastful at times, it is only because we have an enviable story to tell you. We have bared all, and ask only one small indulgence before you proceed with reading this report--if you happen to be on the School Board, please forget what you see here, the Arc Light wants to stay in business.

TEACHER DINING FACILITIES: Our spacious faculty cafeteria-dining room provides good hot food and comfortable eating space for the teachers who remain on campus at noon.



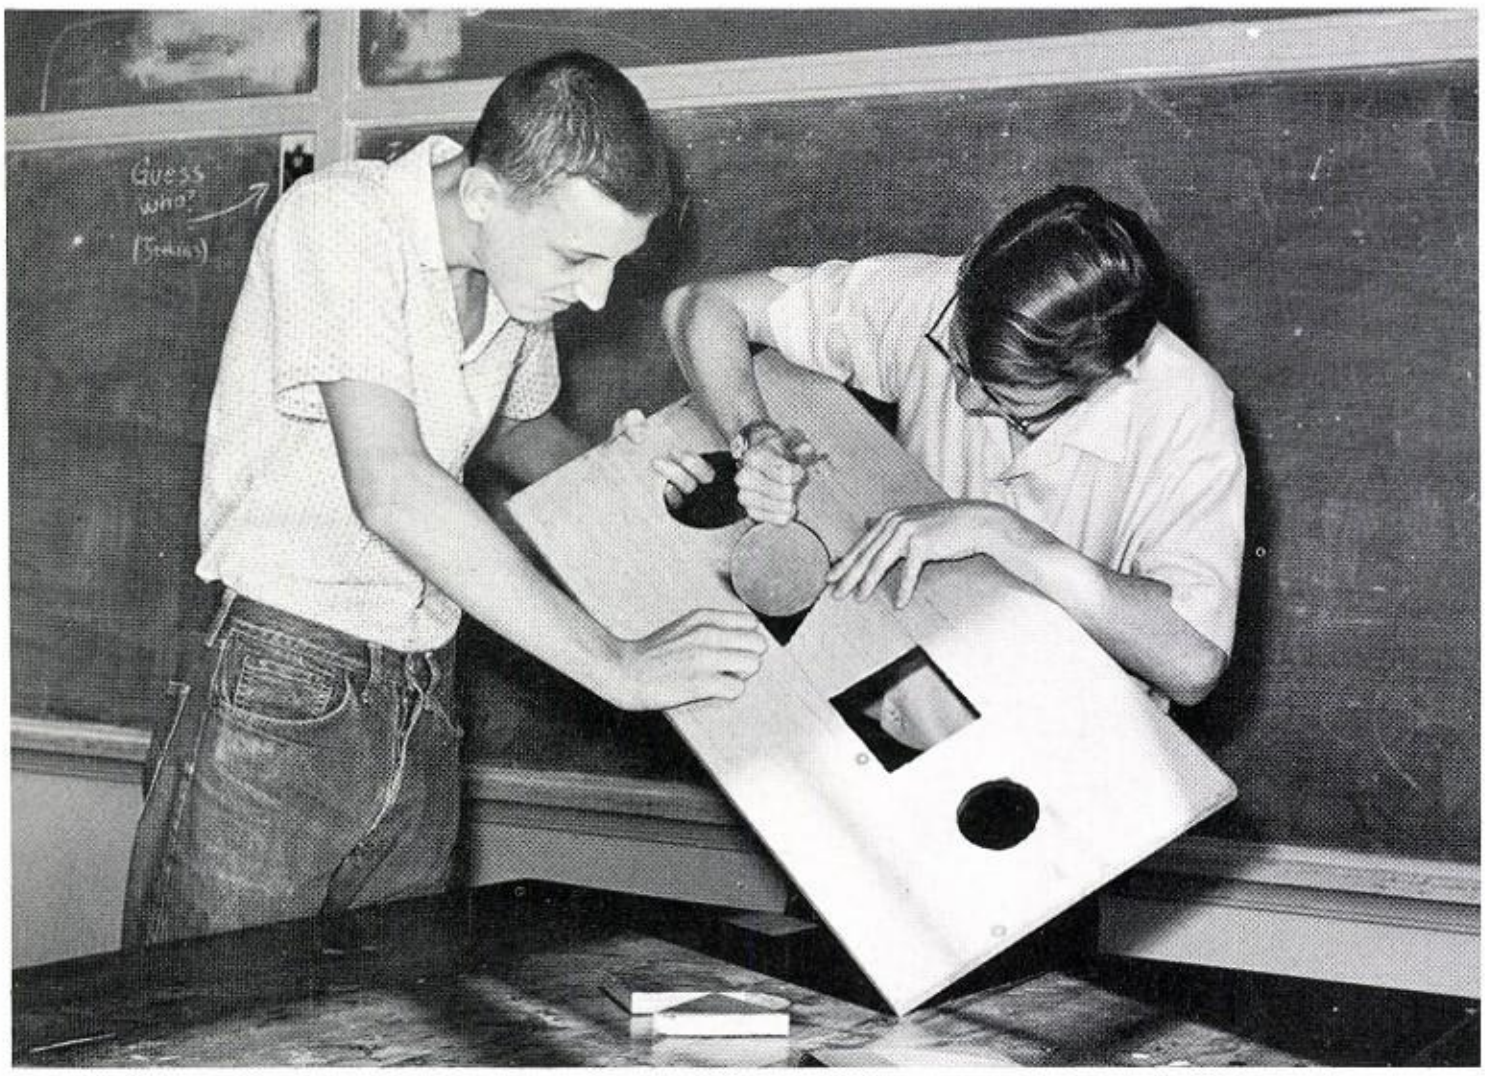
STORAGE OF STUDENT EQUIPMENT: Ample locker space is furnished the students of P. H. S., insuring that they will never leave any books, bags, or other equipment lying around to be tripped over, stepped in, or stolen.



AFTER SCHOOL HOURS: The students spend what time they have left after finishing lessons and school hours in many worthwhile pursuits. One of the more outstanding members of the student body is shown above in his car, on the way to a church meeting with several of his friends.

STUDENTS SHOW POISE AND INTELLIGENCE

QUEEN MARY: Mary Ward, Coronation Queen, is the personification of perfect Senior Royalty.



INTELLIGENCE TESTING: Richard Greene and David Knowles race the clock to prove that they do, too, have an I. Q. --when they work together!

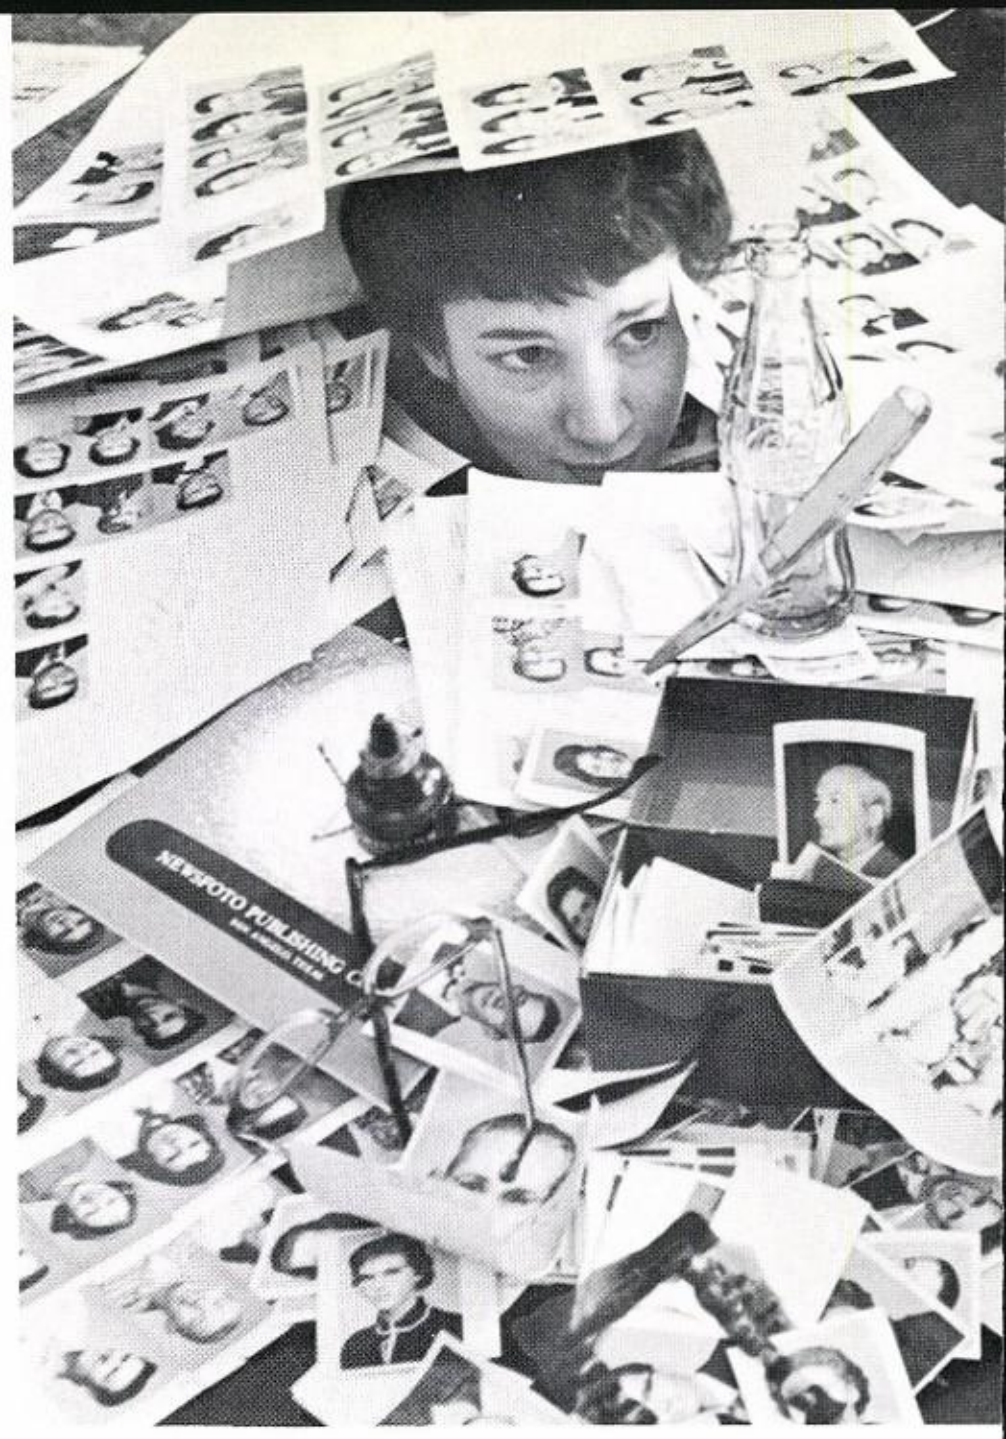
CENTRAL INVESTMENT COMPANY THE FABRIC SHOP

LAWN SPACE: The broad, uncluttered front campus of P. H. S., uncrowded by any alien buildings, provides plenty of room for students to congregate at noon.

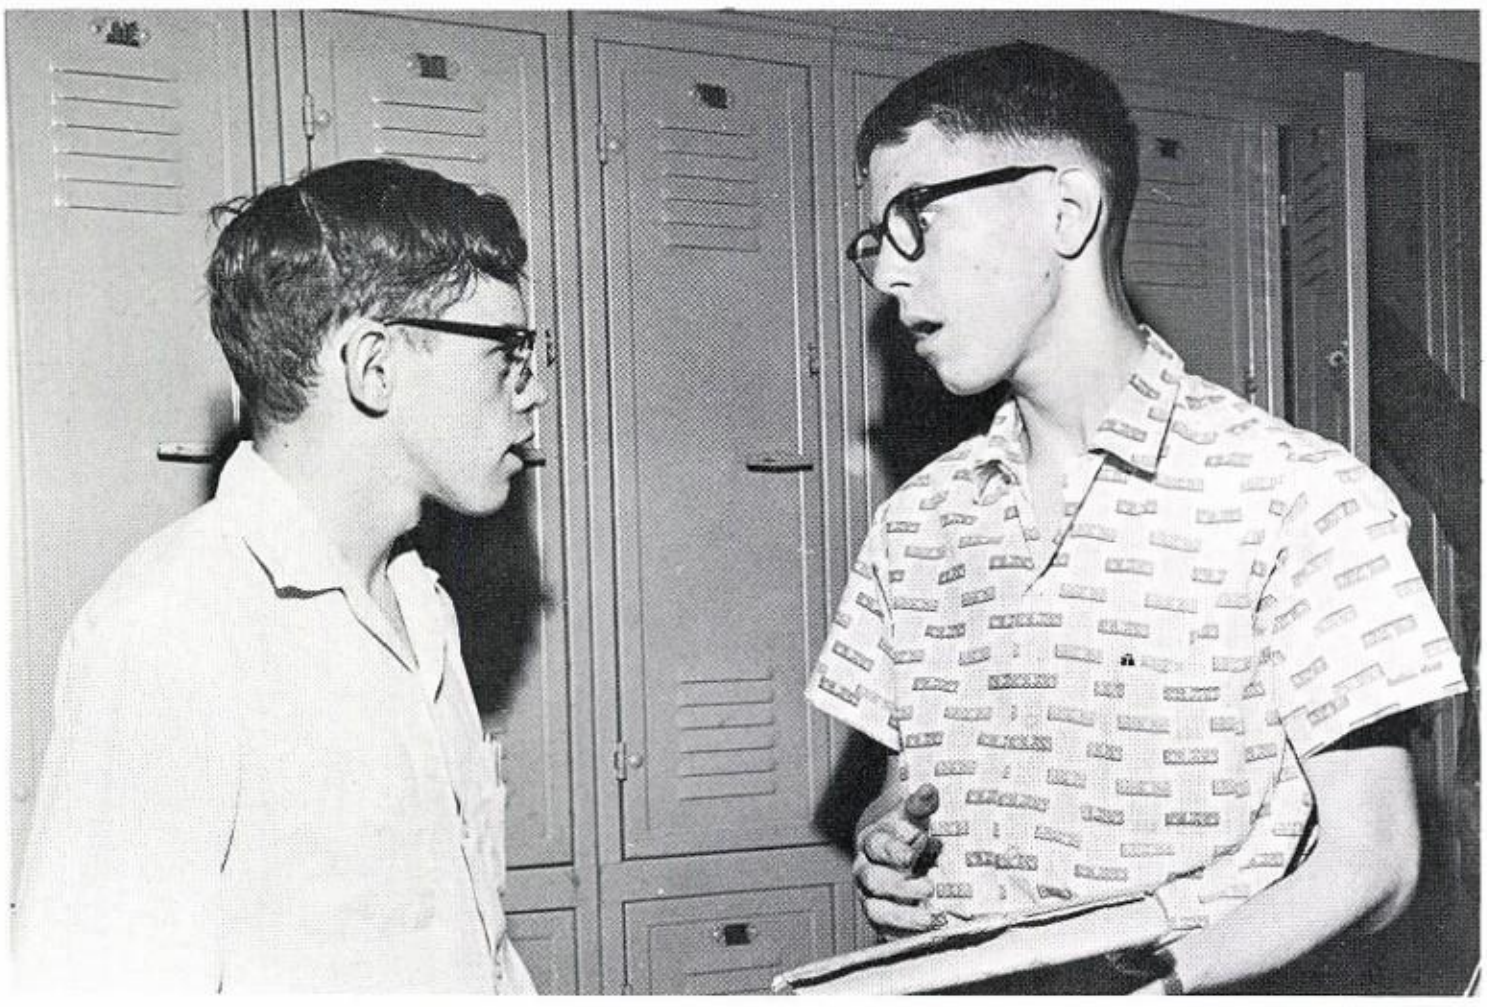
P.H.S. PUPILS HAVE AMPLE ELBOW ROOM

HALLS: The wide, spacious halls of P. H. S. prevent any traffic jams, struggles to get up and down stairs, and trampling deaths among students.

UPKEEP IS GOOD: Because no P. H. S. ceilings ever leak, Jean Mack's typing teacher had no trouble convincing curious onlookers last fall that she just wore it because she likes it.



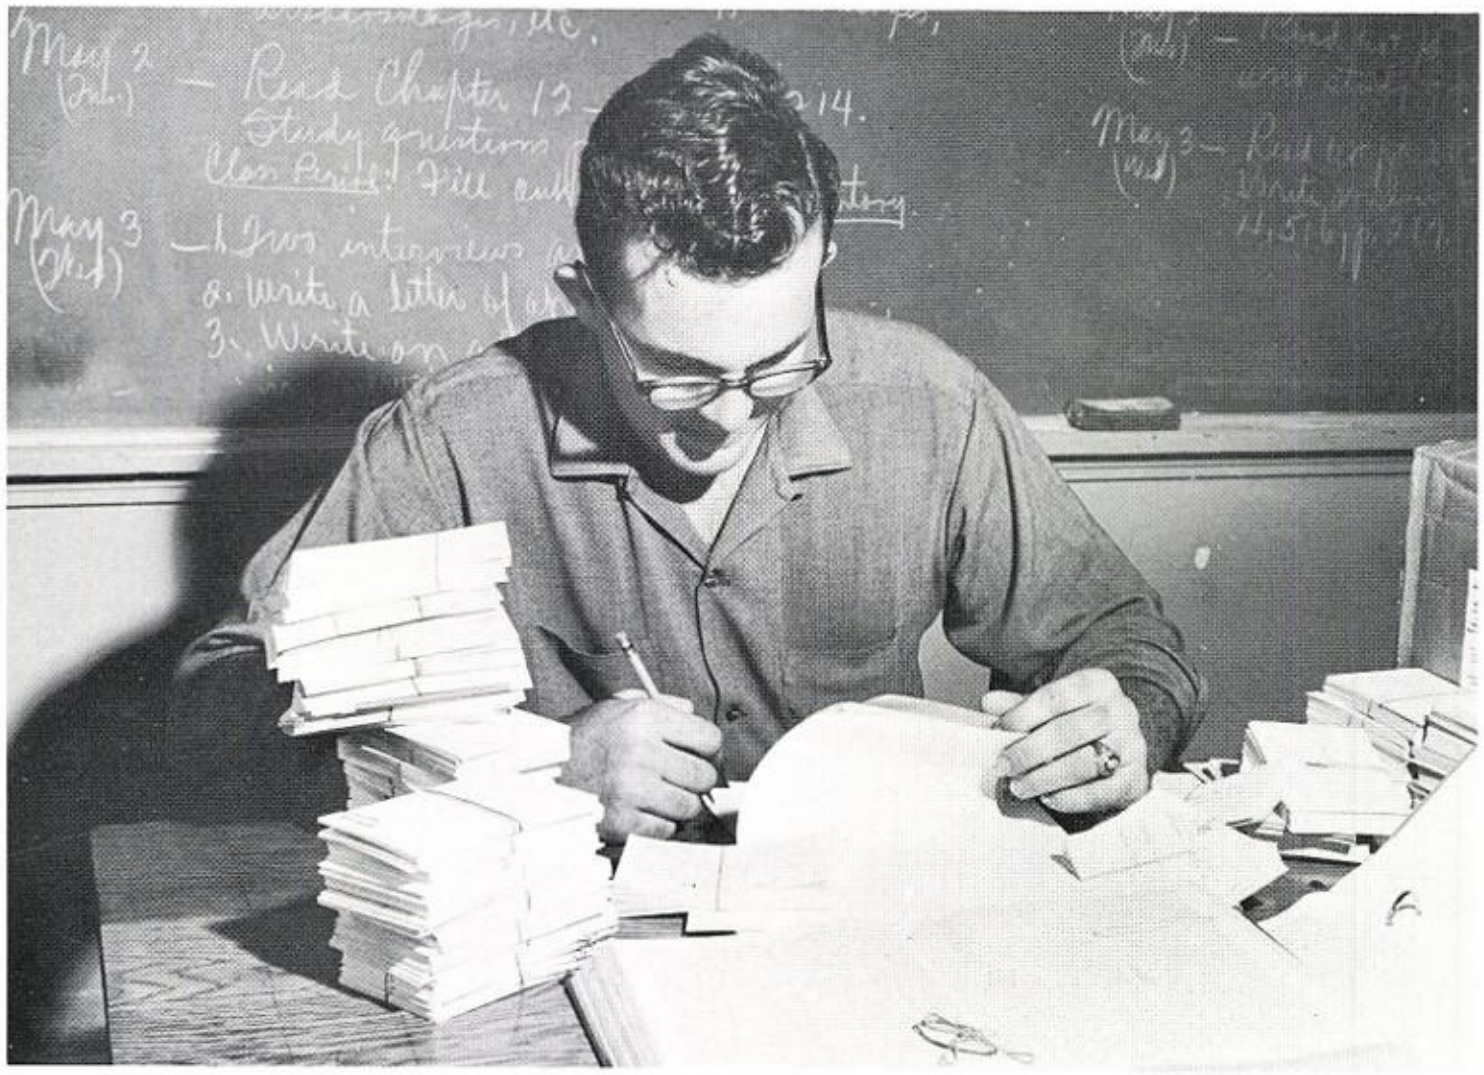
PICTURE FILES: Editors of the Arc Light are careful to keep their files of used pictures in order--before the worker opens the cabinet, she knows what she will find.



INTELLECTUALS: Many students enjoy discussion of current topics. Here, Wayne Downing and Ben Perry debate heatedly a subject which concerns everyone--the question of who really wrote the Pythagorean Theorem.

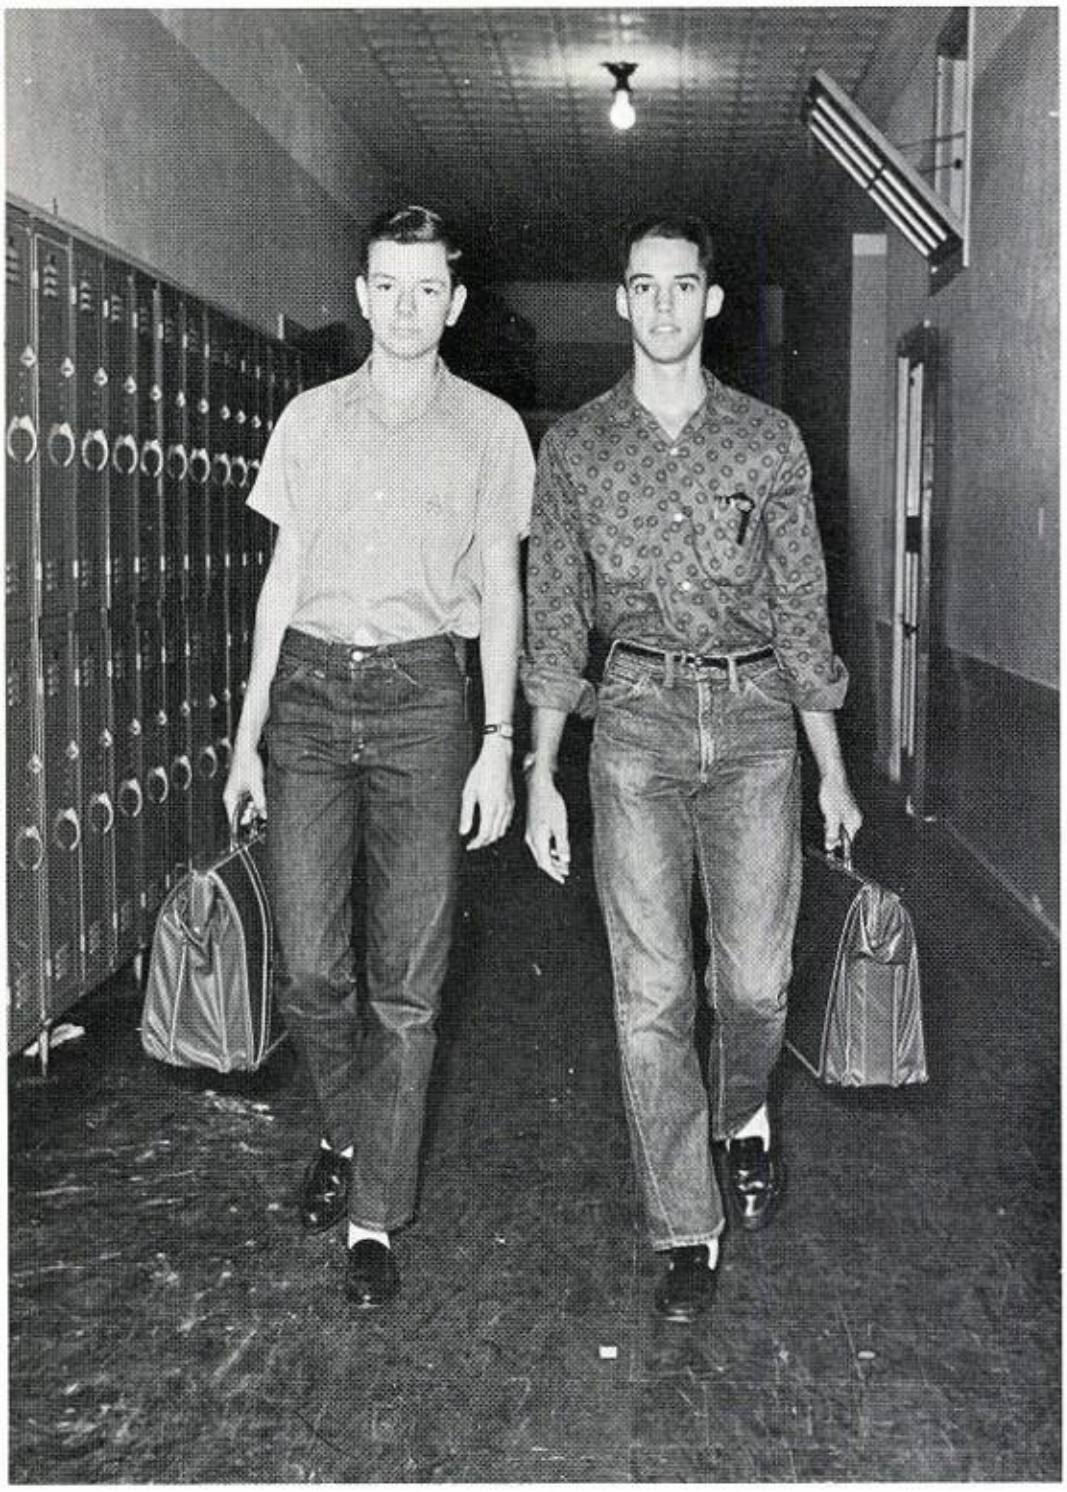
HUDDLESTON'S SERVICE STATION

FACULTY: Palestine High School's careful, conservative teachers prevent any untoward activities from giving the school a bad name. An example of these men and women is Archie P. Amason, Latin and English instructor and tennis coach, who is shown above in his small foreign car. Regardless of appearances, he is not going to peel off the second the light changes.



TERM PROJECTS: Occasionally, the teachers assign to P. H. S. students a research theme. Of course, they are always careful to coordinate their assignments so that such themes are never due at the same time. Above, Hubert Massey is shown, beginning work on the few, informal note cards he must make before he can start on the main work of the theme.

THE MODERN STUDENT AT P.H.S. IS WELL-ORGANIZED AND COOPERATIVE



THE MOVING LOCKER: Many pupils have never used their assigned lockers--the new mobile locker unit, shown at the left in use by Ronnie Selden and Will Johnson, has made them obsolete for all but storage of miscellaneous trash. (The mobile locker has also been found to serve well as a weapon-- this fact is well illustrated by bruised and broken legs of foolish students who dared to mock the briefcase brigade.)

HARMONIZING STAFFS: The friendly co-operation afforded by the members of the Arc Light and Chatter staffs in using the Chatter Room, their common working ground, is quite gratifying.

READING ROOM: Comfortable, coordinated lounge space is provided in the Chatter Room for those students who have finished their publications work and wish a place to relax and catch up on their reading of ancient and modern classics.

SKILLED TYPISTS: Above is John Lively, Chatter member, at work on his weekly story. He is one of the several efficient typists who make Chatter stories neat and readable for the typesetters who must prepare them for publication. What is he typing? "The quick brown fox just came over to greet the lazy poodle"--he is, too, efficient!

STUDENTS AND FACULTY ALIKE MUST FINALLY REACH THE END OF THE ROAD

GRADUATES: Eager to learn, anxious to please, full of a desire to succeed, the 1961 graduates go forth into the wide world, free from prejudice and trusting in the integrity of all the people they meet.

EMPLOYEE COMPENSATION: Our teacher retirement plan is both generous and comprehensive.

To One of
the smallest
& nicest friends

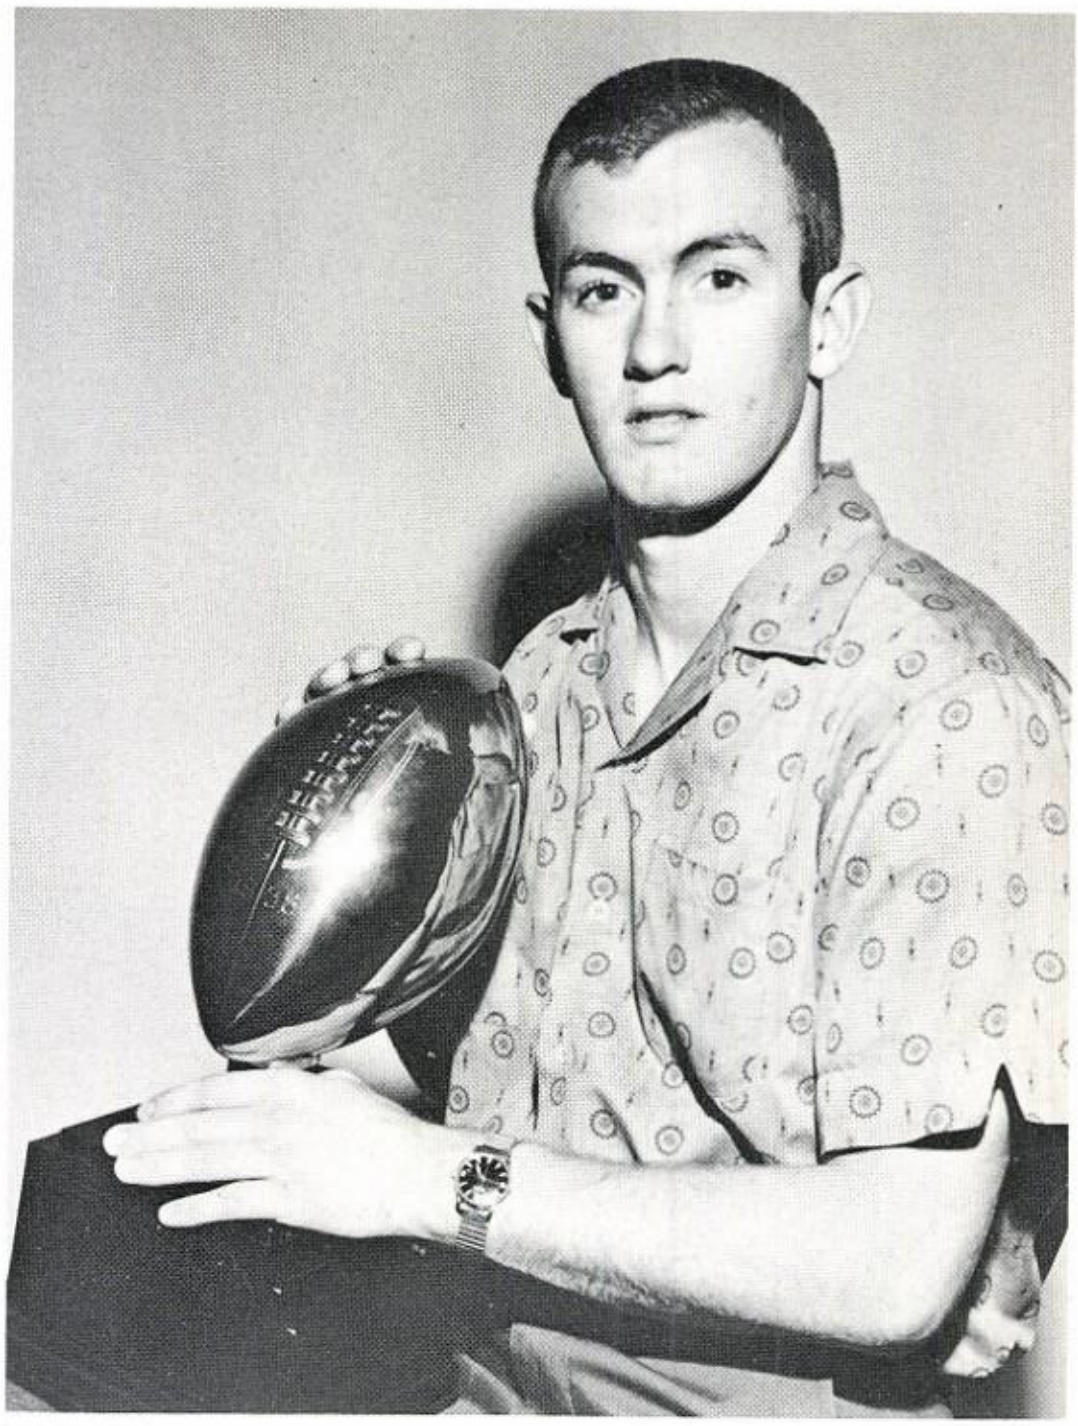
FACULTY SELECTS WHO'S

Fred Felder Jr., elected to the National Honor Society his Junior year, has been Vice-President of the group his Senior year. Selected a Junior Rotarian and a representative of P. H. S. to Boys' State, Fred was also Theme of the Week Contest winner his Junior year and a contributor of the "Anthology of High School Poetry" his Senior year. An avid photographer, Fred has served the Arc Light in that capacity for two years. As Junior Prom Announcer, he was also a member of both the Junior Prom and Coronation Committees. Magic, another of his attributes, has lead to membership in the International Brotherhood of Magicians. Although undecided as to major, Fred will attend the University of Texas next year.

Carol Clark, a member of the National Honor Society, is a senior with a distinguished record of grades. She has advanced from the position of Arc Light salesman, held in her Sophomore year, to the business staff her Junior year, and finally to the post of Business Manager this year. She is a member of the Junior Historians, and serves as treasurer of the Future Teachers. Carol's favorite subject is English; her favorite sports are football and swimming. Carol plans to enter Sam Houston College to study Business and secondary education.

AMERICAN HOME BAKERY

MEMBERS OF WHO

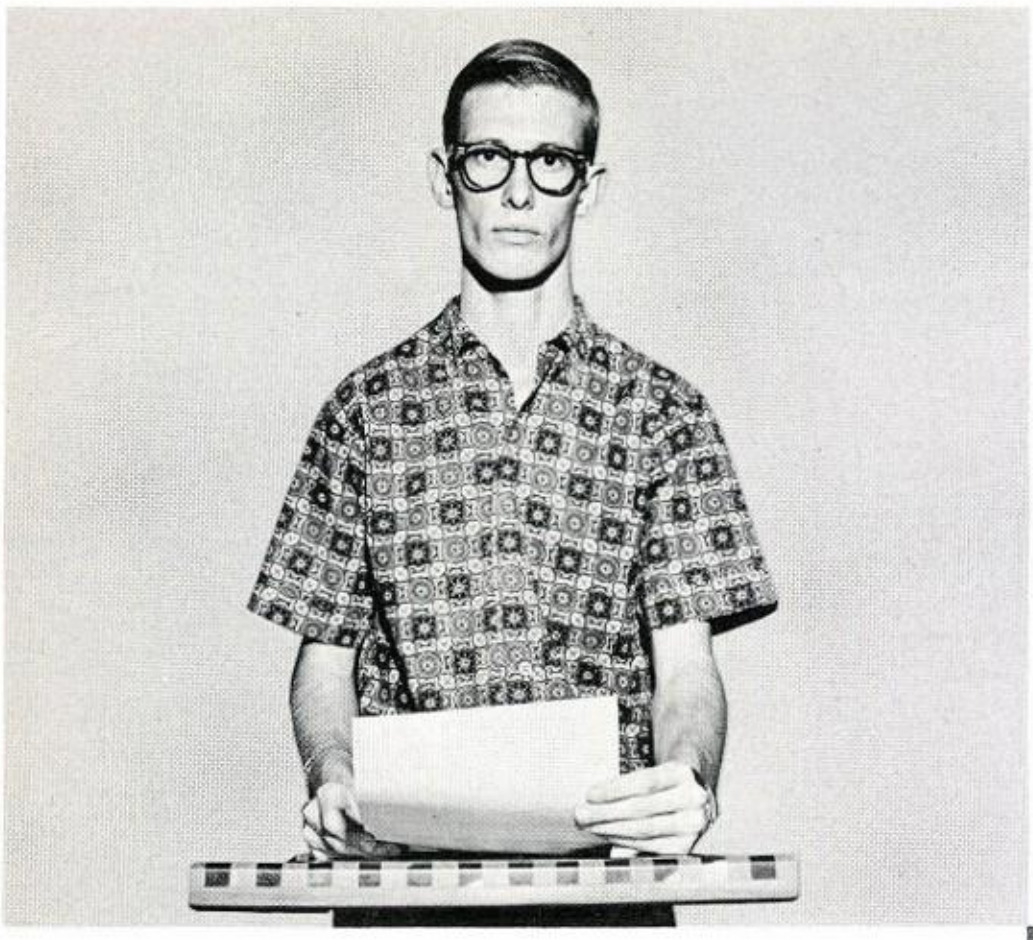


President of his Senior Class, Andrew Overton has represented both his classmates and his school by serving on the Student Council and by attending Boys' State in his Junior year. In addition to being captain of the A football squad, Andrew was elected as Handsomest Boy his senior year. He is interested in sports and spends his spare time hunting and fishing. Andrew plans to attend Texas A & M College and study agriculture.

Appearing in Who's Who for her second time is Frani Hamilton, a senior. She holds the positions of Secretary of the National Honor Society and editor of the Arc Light Editorial Staff. She has represented her class as a Junior Sweetheart and has recently won first place in the District Ready-Writing Contest. She received the honor of the D. A. R. Good Citizenship Award, in addition to being awarded the Betty Crocker Homemaker of the Year for P. H. S. Frani not only excels in many school activities, she also plays the piano, reads extensively, and studies French on the outside. She plans to go to Newcomb of Tulane and study English or journalism.

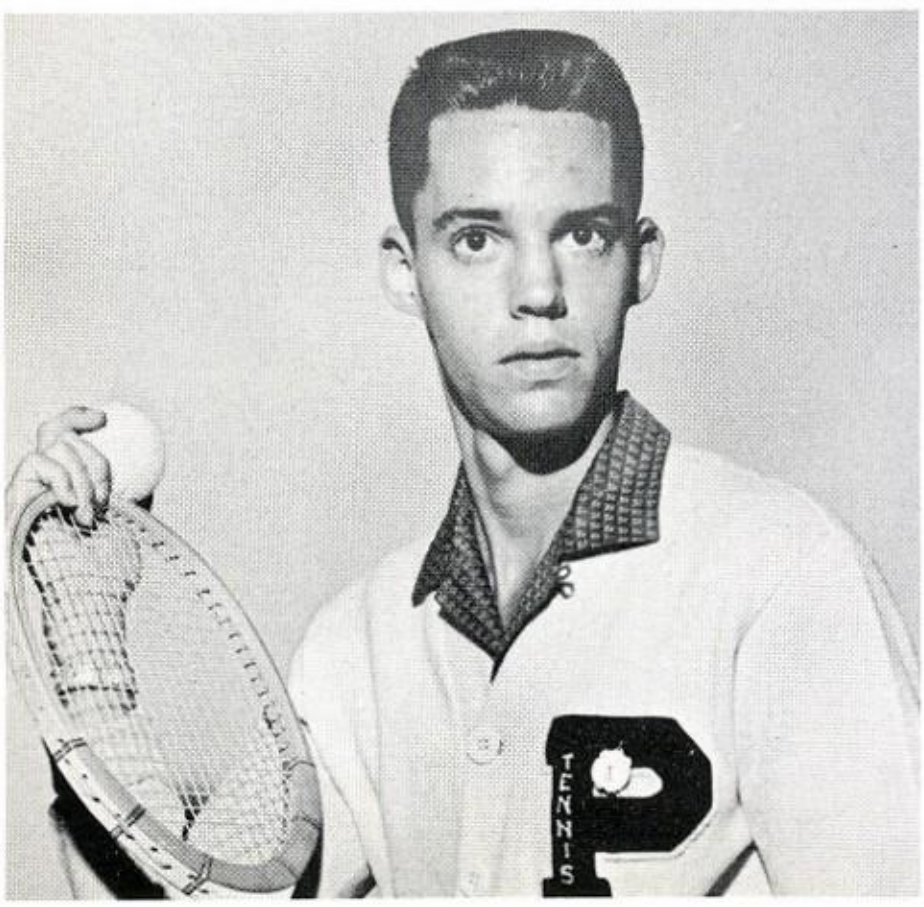
JETTIE'S BEAUTY SHOPPE

WHO'S WHO



Danny Vance, Vice-President of his Junior class and of the Student Council, is also a newly elected member of the National Honor Society. He appears in Who's Who for the first time this year; he has recently been elected to the post of President of the Student Council for the terms of 1961-62. Danny has been previously elected freshman class favorite and duke to the Senior Coronation for two years. Danny plans to attend Texas A & M and study engineering as his future profession.

Lou Flanagan, a Junior member of the National Honor Society, is president of the Junior Historians and secretary of the Junior class. She was editor of the celebrities section on the Arc Light Staff her sophomore year, and of the activities section her Junior year. She is also a newly elected cheerleader for 1961-62. Lou has studied piano for nine years and enjoys writing short stories and essays in addition to reading, swimming, and singing. She plans to attend college and obtain a degree in elementary education, and later to specialize in physical therapy.



Will Johnson, elected to Who's Who for the first time in his Junior year, is an active member of the Arc Light Staff, serving that publication as assistant photographer. Will acted as Junior Prom announcer; he was also elected to the National Honor Society during the spring term. His interests are tennis, winning District his Junior year; photography; and magic - he is a member of the International Brotherhood of Magicians. He plans to attend Southern Methodist University and major in business administration.

JETTIE'S BEAUTY SHOPPE

WHO'S WHO

Carol Ann Shroyer, sophomore honor student, has been an active member of both the Business Staff and the Junior Historians. As historian of the Future Teachers, she attended the district and state conventions. Carol is appearing for her second time in Who's Who. An achievement pin receiver, Carol Ann was the Vice-President of her sophomore class. She plans to attend Baylor University and major in education.

A newcomer to Who's Who, Linda Kay Johnson has served as editor of her sophomore class on the Arc Light Editorial Staff, and has been active as a member of the Student Council. She is a member of the Future Teachers and served as cheerleader this year. Her interests and hobbies are combined in the pastimes of dancing and playing the piano. Linda Kay plans to major in elementary education while attending Texas Christian University.

Jan Worley, a congenial and high-ranking Freshman, has been elected to Who's Who for the first time this year. Being active in all school curricula, she has served on the Student Council and has been recently elected cheerleader for the coming year. In addition to playing the piano, Jan has studied dancing for six years and enjoys all phases of music. English is her favorite subject. Although she has no present college preference, she plans to study journalism.

JUNIOR HISTORIANS BASE THEIR ACTIVITIES ON THE CELEBRATION OF THE CENTENNIAL OF THE CIVIL WAR

Junior Historian Minutes — Thursday, January 26, 1961

The meeting was opened by President, Lou Flanagan, after which the Lord's Prayer was recited and the Pledges to the American, Texas, and Confederate flags were given. The minutes, the treasurer's report, and a letter from Mr. Cleveland thanking us for our contribution of the portrait of John H. Reagan at Reagan Junior School were read. Following the roll call, Mrs. Ballard announced that two unexcused absences would automatically remove a name from the membership roll.

A Centennial Program and a letter asking us to participate in the celebration of the one hundredth anniversary of the War Between the States was received and read. It was announced that three prizes will be given to the members in connection with the Civil War. One will go to the Junior Historian who collects the most newspaper and magazine articles and clippings; another, to the member who finds the most letters written by veterans of the War; and the third, to the one finding the most souvenirs of the War.

Possible plans of visiting Washington on the Brazos were discussed.

The bell adjourned the meeting.

Junior Historians listen intently to what is being said; by the varied facial expressions, they each have their own opinions.

Future Teacher Minutes

Tuesday, May 2, 1961

The meeting was called to order by President, Jan Hardin, and the club rose and repeated the Lord's Prayer. The roll was called and the minutes of the last meeting were read by the secretary, Kaye Murray. The President then went immediately to the business at hand and asked for opinions concerning the F. T. A. Senior Banquet. The main objection seemed to be that it was to be held on Friday night. A vote was called for and by a majority the banquet was changed to a Tuesday and set early enough for study afterwards.

Next, a discussion was held pertaining to the practice teaching done the previous week. Criticisms made by the teachers were read and explained and several club members related their experiences. All in all everyone seemed to have enjoyed their taste of teaching.

The bell adjourned the meeting.

Upon being crowned Sweetheart of the Fannie Lou Fullenwider chapter of F. T. A., Saundra Selman received one dozen red roses from club sponsor, Miss Hathcock.

The people responsible for the P. H. S. Chatter, the weekly page of campus news printed in the local paper, are high school students who volunteer to perform these duties during off-periods and other spare time. The Chatter staff functions as an ordinary newspaper staff, gathering information, assembling stories, writing heads, and meeting a Thursday deadline.

Mrs. Ann Link, speech teacher at Palestine High School, is the sponsor of this worthwhile organization. At the beginning of each new school year, she chooses a new staff and selects reporters from the various classes. These are chosen after careful consideration of the students' qualifications.

The girls' singing group of Palestine High School is the B' Natural Club. The organization is under the direction of Miss Elizabeth Springfield. Meetings are held during the home-room period on Wednesdays.

The B' Natural Club has the distinctive honor of being the oldest organization in the school. Its worthy purposes are to give the girls an opportunity to express their musical abilities and to increase their appreciation for fine music. Several times during the year, the girls are asked to sing because of their ability to entertain.

The officers of the B' Natural Club gather around the piano to lead the girls in a familiar old song.

The Glee Club of Palestine High School, a Boys' singing group, is sponsored by Mr. Tom Moseley, high school choral instructor. Since its organization, the club has presented many enjoyable programs. They have participated in assemblies, choral concerts, Coronations, and special activities such as the talent show. The Glee Club has grown both in size and in volume producing many fine voices.

The members of the Glee Club are boys interested in learning something of the cultural side of life and in having a good time as a group while expressing their musical abilities.

THE CHEMISTRY CLUB MEMBERS PERFORM THEIR EXPERIMENTS WITH CAREFUL SURENESS

Minutes of the Chemistry Club Tuesday, November 29

The meeting was called to order by the President. After the roll call and reading of the minutes, the President reminded everyone that his dues should be paid after two more meetings.

Richard DuPree and Vivian Nazzal performed two experiments. In the first they produced thermit, which reacts at 3000 C. and is used by welders.

The second experiment, a mixture of potassium hydroxide and phosphorus, was boiled. Phosgen gas was produced; on contact with air, it flamed and formed smoke rings. Everyone enjoyed these experiments.

Mrs. Gilliam informed the club that the Chemistry classes were taking a bus to Grand Saline December 10 to see the salt mines and there were several extra seats if any members of the club wished to go.

The bell adjourned the meeting.

Members of the Arc Light's two staffs, the Editorial staff and the Business staff, are selected by the editors and yearbook sponsors from the group of students who make application. From the applications the student's qualifications are secured which are considered and weighed before the choices are made.

The Editorial Staff is composed of an editor-in-chief and his assistant, who plan and outline the general lay-out of the book, and an editor for each other section of the book. Miss Julia L. Smith is the sponsor of the Editorial staff.

The Business Staff is composed of an editor and his assistants. They plan the advertising layout and handle all the business transactions concerned with having the book published. Mrs. Victor Shroyer is the sponsor of the Business staff.

The Arc Light salesmen, who are selected from each homeroom, work under the direction of the Business staff to sell annuals to the students. They also sell all of the advertisements which appear in the book. The salesmen are truly a vital part of the publication of the Arc Light.

THE PALESTINE WILDCAT BAND

Mr. Roy Wallace Head Band Director

Mr. David Moore Assistant Band Director

The Palestine High School Band is an organization of which the entire school and city are very proud. This group of talented musicians and marchers has for many years brought honor to our school through its contest accomplishments.

In addition to playing at pep rallies and performing at half-times at football games, the Band has been very active in performing in social activities such as the Coronation and the Commencement. The organization itself has played several concerts.

The desire of Mr. Roy B. Wallace, the very efficient director, to mold a first-class marching and concert unit, has resulted in the present state-wide famous band. Under his expert direction, with the fine aid of Mr. Moore, several band members have earned seats in the All State Band. Several of the students have been awarded college scholarships for their abilities. To the band we want to say thanks for helping when called upon and when just needed.

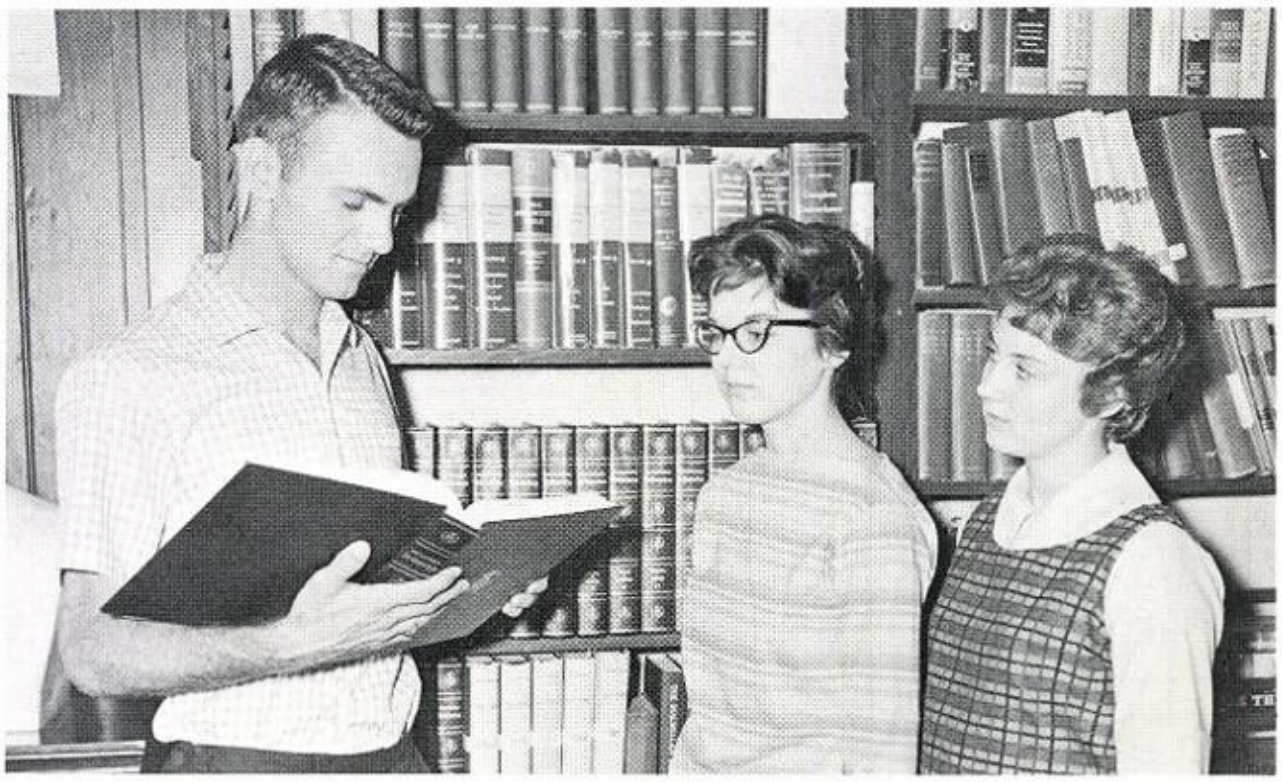
FUTURE NURSES STUDY NURSING TECHNIQUES WHICH WILL HELP THEM SOME DAY REGARDLESS OF THE PROFESSION THEY ENTER

The officers of the Future Nurses realize that their aim is to inform the club members of the advantages and pitfalls in a nursing career--so, carefully, they plan a nurse's aid schedule in which each girl gets a chance to participate and to gain by her own experience.

Future Nurses give special attention to the medical problems of the day.

One of the many jobs of the Future Nurse is the cheerful visiting of the patients.

THE LIBRARY CLUB IS FORMED FOR THE PURPOSE OF ACQUAINTING ITS MEMBERS WITH THE USES AND FUNCTIONS OF THE LIBRARY



Vice-President, Dwayne Dominy; President, Linda Pagitt; and Secretary, Renee' Vincent pay a visit to the Carnegie Library for a comparison of its contents to the growing collection of books contained in the Palestine High School Library.

To be eligible for membership in the Palestine High School Library Club a student must work in the Library during his study hall period. The duties of the members are to catalogue books, prepare and replace book cards, check in books, repair books, arrange books in proper order in the shelves, and stimulate interest in reading throughout the school. The duties of the club have been carried out well under the supervision of the sponsor, Miss Ella Lunday.

STUDENT COUNCIL SPONSORS CAREER CONFERENCE DAY

Mr. Robert Bristow

Each homeroom in the school has one representative on the Student Council. He is elected by the popular vote of the members of his homeroom, who have a voice in council business through him. The Council endeavors to promote co-operation in extra-curricular activities and to raise standards of leadership, scholarship, and school spirit.

Mr. Robert Bristow, school counselor, sponsors the Council, which he founded in 1952. Since that time, he has acted as guide and advisor of the organization.

The Student Council, through its various committees, handles numerous tasks about the school. The supervision of school elections, the supplying of devotionals for assemblies, and the entertainment of guests of the school are only a few of these jobs. They also have sponsored dances, assembly programs, cake sales, and All School Day.

'If I am elected Student Council President I promise to widen the halls, organize clubs to greet new members, and add some time to the lunch hour," says Stanley Sewall in his plea for the support of the student body in the forthcoming election.

The Palestine High School Choir, dressed in its uniform choral attire, brings a concert of religious inspiration.

"Deck the halls with boughs of holly"...This familiar chorus could be heard ringing through the old halls of P. H. S. enhancing them with the Christmas spirit.

The Palestine High School Choir, under the direction of Mr. Tom B. Moseley, is composed of those students who are enrolled in the fifth and sixth period choral classes. This organization was founded by Mr. Moseley in 1955 and has grown steadily to become one of the largest combined groups of the school.

The most important Choir activity of the year was the presentation of Summer Visitor, an original musical comedy by Mr. Moseley. Summer Visitor ran for two consecutive nights in the high school auditorium. The production was sung by members of the choir with a different cast featured on the two nights.

Because of the Choir's capability and willingness, they have been featured in various school activities other than their own choral concerts. They have become a traditional part of the Senior Coronation and the Commencement Ceremonies, adding to the festivities with music suitable for the occasion.

During the latter part of the year, the Choir entered the Interscholastic League contest in Kilgore. In addition to entering as a whole, a few members sang selections in the soloist's contest where they received high honors. The Palestine Choral Organization also had a fine representation this year in the All-State Chorus at Austin.

Palestine High School is proud of the fine achievements of its choir.

GRA MEMBERS CELEBRATE THE END OF SCHOOL BY TAKING AN ALL DAY OUTING TO DODDS LAKE IN ATHENS

G. R. A. Minutes October 24, 1961

The girls planning to go on the hike tomorrow and the executive committee met this morning. Final plans were made for the hike.

The girls discussed having a Backwards Sock-Hop after the football season is over.

Plans were discussed for organizing a mixed basketball tournament, to be held Tuesday and Friday afternoons.

An idea, to have a slumber party later on in the year, was suggested.

The meeting was adjourned by the bell ending the Homeroom Period.

"I'll bet they think we just sit around and wait for them to call."

GRA MEMBERS GIVE ASSISTANCE DURING ALL SCHOOL DAY

The 1961 officers of the G. R. A., Vice-President, Pat McMahon; President, Vivian Nazzal; Reporter, Jo-Ann Morton; and Secretary, Sharon Murphy, have spent many hours around this desk planning interesting activities of recreation for the benefit of the club.

The Executive Committee, composed of Linna Knox, Senior Class; Karen McVean, Junior Class; Sue Petri; Sophomore Class; and Jamie MacNaughten, Freshman Class, examined the material and cast votes on the decision to be made.

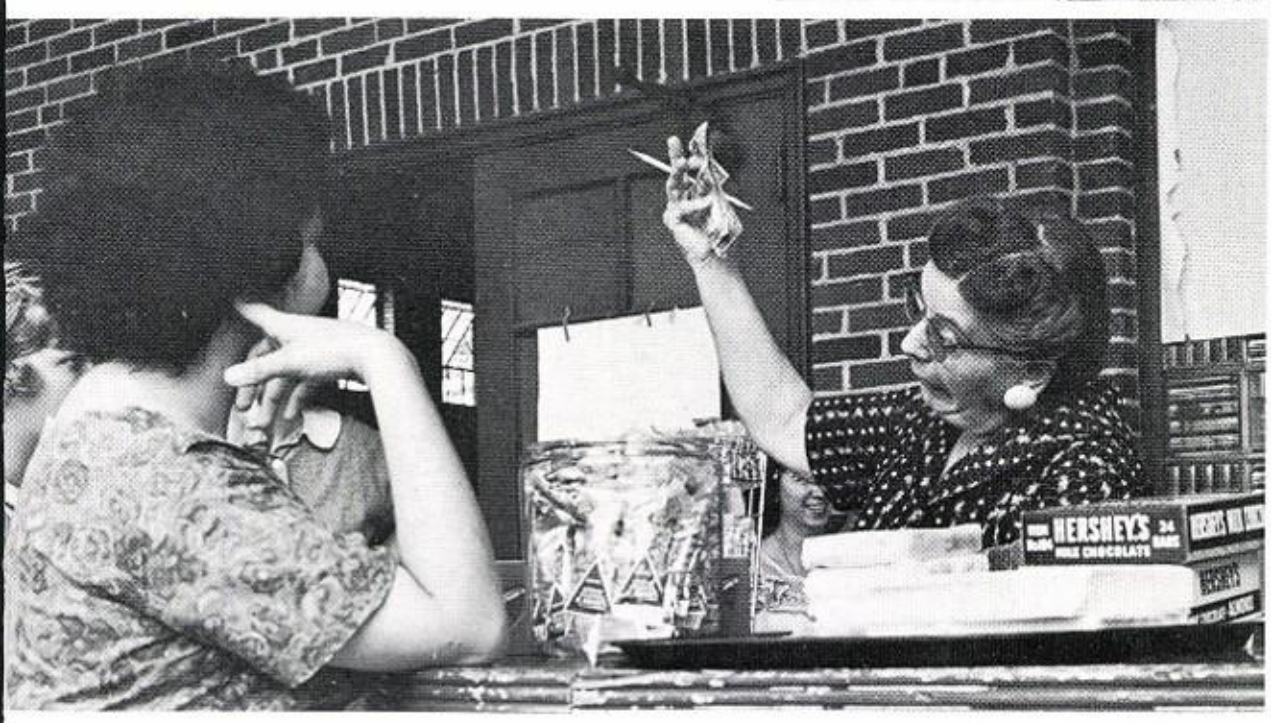
WOMMACK'S GREENHOUSE

They say the early bird catches the worm, but in this case it was FHA girls and bacon and waffles, and a morning breakfast to start the day right.

A beauty expert from Tyler spent a day in the Homemaking Lab, giving the girls hints on how to apply make-up...here we see Sherry Jeffus serving as the guinea pig while the other members of the class sit by eagerly awaiting the outcome.

As the end of school approaches, the girls begin to be a little more mindful of their appearance - lookswise and weightwise - so out comes the old calorie chart and a study of the foods that will help us maintain our proper shape. Linda Kay Buckley explains to her interested listeners that whole wheat bread contains less calories than plain bread, so in order to be narrow as an arrow and broad where a broad should be broad be mindful of this advice.



On All School Day the FHA girls sponsored a booth on the porch of the gym in order that the students could eat and participate at the same time. The willing service of the FHA members is greatly appreciated and we realize that in our worldly rush we forget to express our 'thanks' but to Mrs. King (the sponsor of the FHA Club) and to the members of both chapters we want so say don't let us drive you too far, try and keep control, and again 'thanks.'

PALESTINE HIGH SCHOOL PTA AIDS IN SHAPING THE LIVES OF THE GROWING GENERATION

The officers of our PTA stood by eagerly awaiting an opportunity to give their assistance wherever needed at any time. They served in their respective offices with dignity and handled the business of their fine organization with expert tactfulness.

"Nice to see you graduate, son."

The Parent Teachers Association deserves a great deal of recognition. Meetings are held in the afternoon, at which time business is transacted, and programs are presented. All is not work, however, for many enjoyable programs are presented for the entertainment of the parents and teachers. During the National Education Week a very informative program was given by a group of students concerning the functions of the various departments in our school. A style show by the Future Homemakers also added a highlight to the year.

A wish of appreciation and gratitude is due the members of the High School PTA for their fine work in helping and encouraging students in their school life.

James A. Garfield said that a log with a student on one end and Mark Hopkins, his old teacher, on the other end was his ideal college. The point in it all is that personal contact and direct interest in the individual student by an instructor of lofty character is the main thing in any institution of learning.

Hi Ronnie!
Well hows life been
treating you? Although
I don't know you
its been great. I hope you
all come back sometime.
When all of us up + girls
we have a BLAST right?
well be good and
behave yourself!
Good Luck

Ronnie,
I haven't Known
you very long but
you seem so nice to me
Ronnie we sure had
a real nice time and come
back again next summer.
O.K.? O.K.

Dear Ronnie -
Thought I was
going to say
"Dear", but you
aren't worth it! When
you graduate and get
out of school under-classmen
let me know; then even will
certainly come over and
see you. Must keep
